ARTIST 0024/1800
TES ONE
TAMPA, FL

Combining traditional and non-traditional techniques, Leon "Tes One" Bedore creates contemporary works of art that contrast nature with technology, grime with grace. Allowing himself to find beauty in the mundane, he is able to juxtapose rejected landscapes with figurative illustrations. These opposing forces coexist to create paintings that are both symbolic and metaphorical. Tes One's conceptual paintings are assembled from the foundation up; color and cast blanket organic substrates. The movement incorporated within his work brings energy, the emotion envelopes and holds focus.
