People often ask, "What is the meaning behind 1221?" 1221 is the actual month and day of our Mom's birthday. She had a major, positive influence on my Sister and I. She taught us many wonderful things, but most of all, she instilled in us positive values. We thought it would be a great honor to our Mom, to name our most premium of wines after her birthday. In doing so we also honor all of the other Moms out there who give so much of themselves. All the best,

This Cabernet Sauvignon is a decadent blend of Alexander Valley and Knights Valley appellations. The resultant wine is lush and silky, multilayered & full-bodied.
