TEXAS ALCOHOLIC BEVERAGE COMMISSION

THE ORIGINAL  TEXAS WHISKY

batch:

date:

A TEXAS TAKE ON AN CLASSIC SPIRIT

We have been busy for years, messing with spirits definition and categories to create something uniquely ours, and uniquely Texan. We have been laying down tiny amounts of bourbon and are glad to finally have enough around to get into bottles and into your hands. Made with our blue corn rather than feed corn, we find this juice to be exquisite and full. It is very rich and nutty, full of wood and spice, with a finish that will hang around awhile. We finally have more than we can drink...We hope you enjoy.
