# Additions

GIVE YOUR SPACE A PLUS

Make every  
element add up.

Your space. Your brand.

Every personal touch makes a difference when it comes to the experience people have in your environment. It's not just about the attention they receive. Also important is for visitors and staff to sense a connection to your brand at every turn.

With **Takeform Additions**, every finishing touch and accessory contributes to a positive brand experience.

# Additions

Expand on your brand.

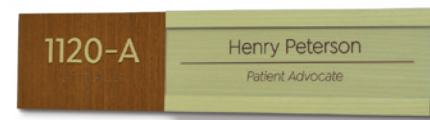

## Complement your décor.

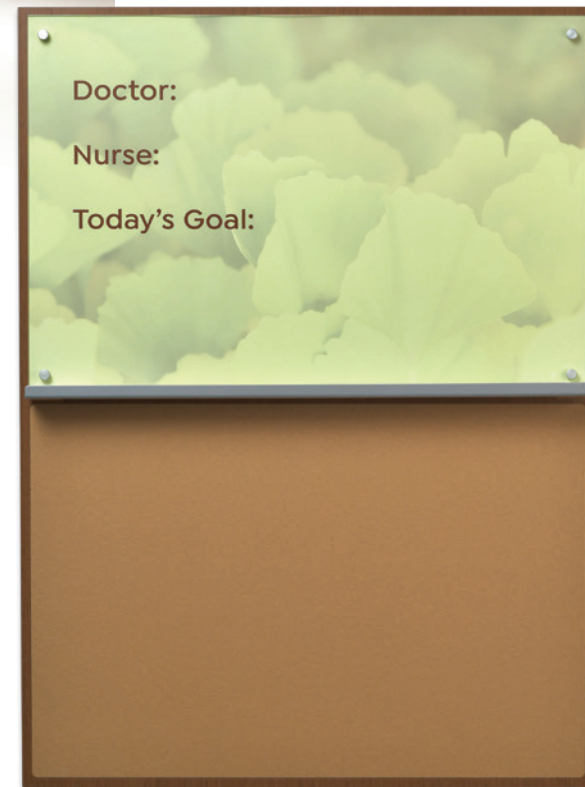

You've put a lot of thought into your interior design, for both the public and your staff. Enhance the impression of your space by making every detail feel more integrated, including the most oft-used, functional elements.

# Attend: Distinctive. Clear. Functional.

When it comes to competent care, looking out for every patient begins at the doorway to their hospital room, where staff share vital information. Additions includes Attend Patient Room Signs designed to help staff communicate patient-specific precautions quickly.

These easy-to-clean units are designed to complement your space and interior signage family with an elevated aesthetic.

Attend Patient Room Signs feature an innovative locking mechanism for stability and security.

## Additions: Practical accessories for every space.
