

Unified communications saves you time and money

With UC, a company with 100 employees can save:

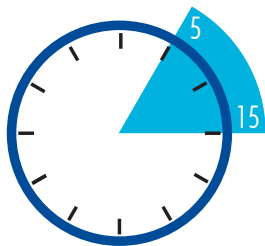

115 minutes a day per employee

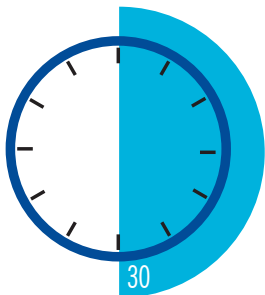

Find-Me, Follow-Me saves a person up to **30 minutes a day** by being able to reach your co-worker on the first attempt.

Unified Messaging saves an individual at least **40 minutes a day** by providing one interface or application to access email, voicemail and fax.

Interactive Voice Response Systems automatically route calls to the appropriate person alleviating on-hold times saving **5-15 minutes per day**.

Mobility increases responsiveness and therefore, decreases productivity delays by being able to access office communications from a mobile device saving at a minimum of **30 minutes a day**.
