

## CHILDREN BETWEEN 18 MONTHS & 6 YEARS WELCOME

### WHO WE ARE

LittleHill Montessori opened its doors in 2005 with the vision of providing children with a warm, nurturing environment where children could grow and learn. All our facilities are purpose built and fully equipped to the highest standards with the full range of Montessori equipment. We provide children with a holistic environment catering to their needs.

LittleHill Montessori has a team of experienced and qualified directresses offering an authentic Montessori curriculum and experience. Our staff provide a loving and caring environment for your child.

Our mission is to encourage and facilitate the holistic development of children and foster in them respect and responsibility for the world and all it's inhabitants. We welcome children between 18 months and 6 years. Our programme includes half day and full day options. Holiday programmes (optional) are also available. We run a 4 term calendar over the year.

LittleHill offers a nutritious planned meal option, to provide our children with everything a young body and mind needs to succeed. We offer a summer and winter menu based on seasonal fresh produce.

LittleHill is a member of the South African Montessori Association (SAMA).
