

Taiwan Black Tea (Small-leaf Variety)

Kuo, Wen-Ting (Kuo, Wen-Ting)

Cultivar: Small-leaf Black Tea

Tracking Code: USC-A-23126

The taste is smooth and gentle, pleasing to the palate, with a clear and pure sweetness in the tea soup. The aroma carries hints of sweet orange, bergamot, ripe plum, and dried prunes, while the tea soup has notes of sugar cane, maple syrup, and malt sugar. There is a faint scent of tuberose flowers mixed with the fresh fragrance of grass. The tea leaves display a smoky appearance, and the liquor is bright golden-red.
