Tsai,Cheng-Chih (Tsai,Cheng-Chih)

Cultivar: Chin Shin Oolong  
Tracking Code: UCS-A-11040

Tea connoisseurs describe this tea as having a smooth and delicate mouthfeel, with a subtle sweetness and a hint of purity. The tea soup exudes the fragrances of osmanthus, orchid, and gardenia, with a sweet aroma of milk powder and cane sugar, along with the fruity scent of Indian date and the fresh aroma of corn stalks. The tightly curled, neat tea leaves infuse a clear and bright water color, presenting a faint honey-yellow hue.
