

Light Aroma Ball-Rolled Oolong Tea

Huang, Chang-Sheng (Huang, Chang-Sheng)

Cultivar: Chin Shin Oolong
Tracking Code: PC012-04-0998

Upon entering, it is slightly light and smooth with a silky mouthfeel, offering a delicate sweetness and a pure and refreshing taste. The aroma combines sugarcane sweetness, Indian jujube fruit scent, moderate vegetal notes of plant protein, and the fragrance of orchids. The color is a tight sand-green hue, while the liquor appears clear and bright with a honeyed yellow tint.
