

Light Aroma Ball-Rolled Oolong Tea

Lin Liwei (Yulu Tea Garden)

Cultivar: Fragrant Oolong
Tracking Code: 1-009-110223

Upon entering the mouth, the tea produces a rich and delicate sensation, offering a refreshing sweetness and a subtle mellow flavor. The tea liquor emits a pure and elegant fragrance of orchid and magnolia, complemented by a moderate hint of creamy and sugary sweetness, accompanied by light notes of pear, Indian jujube, plum, and apple, as well as a faint grassy aroma. The mineral-like jade green color of the tea leaves is compact and solid, while the steeped liquid resembles a clear and bright honey green hue.
