Chen Mingjun (Chen Mingjun)

Cultivar: Tsui Yu

Tracking Code: 1-009-210075

The tea soup has a slightly light taste with a lingering aftertaste, and a smooth mouthfeel with hints of sweetness and freshness, exuding a sugarcane sweet fragrance. The tea soup carries pure pear and green plum aromas, along with a faint floral scent of orchid and magnolia. The appearance is dark green with many stems, while the liquor color is a clear and bright honey green.
