

Light Aroma Ball-Rolled Oolong Tea

Guo Kunrong (Guo Kunrong)

Cultivar: Chin-Shin Oolong
Tracking Code: 1-006-100849

The tea soup has a slightly delicate taste, accompanied by subtle aftertaste and a sense of tranquility, with a mild sweetness and a hint of crispness. The tea soup exudes a moderate sugarcane sweetness, along with pure fruit fragrances such as pear, green plum, and guava. The aroma carries hints of orchid and gardenia flower scents. The appearance of the tea leaves is a dark green color, tightly compact and uniform, while the water color is a honey-yellow hue, clear and bright.
