

Light Aroma Ball-Rolled Oolong Tea

Chen Rongji (Chen Rongji)

Cultivar: Fragrant Oolong
Tracking Code: 1-006-100692

The tea infusion has a smooth and clean texture, with just the right amount of delicacy, exuding a clear sweet and elegant taste. It carries a subtle sugarcane sweetness in its temperament, accompanied by the fragrances of pear and green plum, while the aroma is faintly and enduringly reminiscent of gardenia flowers. The tea leaves are neatly and tightly presented in a sandy green hue, while the liquor appears honey green, clear, and bright.
