

## Taiwan Black Tea (Large-leaf Variety)

### Wang Zhuang (Wang Zhuang)

Cultivar: Large Leaf Cultivar

Tracking Code: 1-006-101238

The taste profile is distinct, with a rich and mellow entrance that feels smooth and very sweet. A subtle sweetness lingers with a hint of freshness, almost resembling the fruity aroma of sun-dried tomatoes. The tea soup exudes a hint of caramel sweetness, along with a slight fragrance of dry grass. Particularly notable is the faint roasted coffee aroma that pervades the tea soup. The color is even and rich, with a clear and bright golden-red hue.
