

Taiwan Black Tea (Large-leaf Variety)

Lai Yu-Wei (Yu Xiang Garden)

Cultivar: Large Leaf Cultivar

Tracking Code: 1-006-101033

The texture is smooth and easy-drinking, with a slight sweetness and freshness in the taste. It is primarily dominated by a minty flavor, with hints of lactic acid and other elements in the aroma; the citrus fragrance is also quite strong, and there is a subtle roasted plum aroma in the tea soup. The appearance of the tea leaves shows the characteristics of rough and aged dark brown leaves, and after brewing, the water color appears orange and clear.
