Sylvia Lin (Wellbeing Organic Tea Garden)

Cultivar: WhiteEgret

Tracking Code: 1-006-101004

Upon tasting, the tea infusion exudes a subtle smooth aftertaste, delicate in texture, accompanied by a refreshing sweetness and clarity. The aroma releases mature plum and dried pineapple fragrances, with prominent notes of black sugar and honey, delicately blended with the freshness of rose petals. A hint of pine wood fragrance subtly enhances the olfactory experience. The tea leaves are neatly presented, with a white downy layer, and the tea infusion ranges in color from orange-red to amber, clear and bright.
