Sylvia Lin (Wellbeing Organic Tea Garden)

Cultivar: WhiteEgret

Tracking Code: 1-006-101004

The tasting experience is rich and smooth, with a pure and comfortable mouthfeel, accompanied by a sweet flavor and a delicate fragrance. The tea soup exudes the pure fruitiness of citrus, dried longan, and dried plum, along with subtle honey sweetness and a faint scent of rose, reminiscent of the fresh aroma of rosemary and other woody fragrances. The appearance is tight and firm, with the water color ranging from orange-red to yellow-brown, clear and bright.
