FAQ'S

WHEN IS THE BALLPARK AVAILABLE?

Citi Field is open for event hosting all year round. However, please note availability may be impacted not only by the Mets' home games from March to September, but also by other stadium-wide events. The home game schedule is typically released during the preceding season.

WHAT IS THE COST TO HOST MY WEDDING AT THE BALLPARK?

The cost to rent a space at Citi Field varies greatly depending on the nature and scale of your event. For instance, intimate weddings typically start at \$15,000, while mid-sized events generally fall within the \$50,000-\$60,000 range, with potential for higher costs. Factors influencing the price include the number of spaces used, your guest count, and your event vision. To provide an accurate quote, we need to discuss your specific needs and expectations.

CAN I BRING IN MY OWN CATERER?

Aramark Corporation has an exclusive catering agreement with the New York Mets for the sole distribution rights of food and beverage within all areas of Citi Field and any specialty products are limited to the sole discretion of Aramark. Kosher & Halal catering is also available through Aramark.

DO YOU REQUIRE EVENT INSURANCE?

Yes, a certificate of insurance is mandatory for all events. We can assist by purchasing the necessary coverage via the MLB TULIP program on your behalf. Our team is here to guide you through this process to ensure everything is in order for your event.

WILL I NEED A WEDDING PLANNER?

Our dedicated events team is here to ensure the venue setup and operations run flawlessly. To complement our services, we require couples to hire a professional day-of wedding planner. This allows our staff to focus on the logistics of the venue while your planner coordinates the personal details and specific needs of your family, ensuring your special day is exactly as you envisioned.

CAN YOU RECOMMEND VENDORS WHO HAVE WORKED AT THE BALLPARK BEFORE?

Absolutely. We maintain a list of preferred vendors who have a proven track record of success at Citi Field. Because they understand our logistical requirements and venue layout, they can navigate the event day with ease, saving you time and effort during the planning process.
