**National Wind Band Honors
Recorded Music Competition**

The Foundation for Music Education is a not-for-profit organization committed to raising funds for the support of music education and the proliferation of music educators in our schools.

MARK OF EXCELLENCE

The Mark of Excellence project seeks to recognize and award outstanding achievement in performance by high school and middle school bands. The project will gather entries from throughout the United States and provide valuable feedback for all entrants. A unique competitive environment is created which allows ensembles to compare their performance quality to other outstanding groups from across the country.

HOW IT WORKS

Directors submit a CD recording of their ensemble from the current 2016-17 school year. The adjudicator will listen to entries and provide detailed recorded comments and brief written comments. All entrants will receive a compilation recording of the winning band performances. Winners will also be recognized in regional and/or national publications and at national and regional conventions. National winners will receive a trophy and commended winners will receive a plaque. It is hoped the critiques and the compilation recordings will prove helpful in improving performances and will spread knowledge of quality literature.

NEW MUSIC DIVISION

High schools of any enrollment may enter this division if their major work is written by a living composer. This division may be entered in addition to the school size classification. It is entirely up to the level one adjudicator as to how many groups are National Winners or Commended Winners in this classification.

Middle Schools of any enrollment may enter this division if their major work is written by a living composer. This division may be entered in addition to the school size classification. It is entirely up to the level one adjudicator as to how many groups are National Winners or Commended Winners in this classification.

SELECTION PROCESS

1. Submit two (2) identical CD recordings and one set of scores of the two (2) selections. These selections may be of any level or source, but higher consideration will be given to serious works of appropriate difficulty for the school classification. Marches are appropriate, but not required.
2. The level one adjudicators will listen to recordings and record a live critique commentary, as well as brief written comments.
3. The level one adjudicator will select the top 50% to advance to level two. If there are nine (9) or less entries in a classification, the level one adjudicator will make the final selection of winners.
4. The level two adjudicator will select the top 25% (half of those advanced) as the National Winners. National winners will be recognized in regional and/or national publications, at national and regional conference, and receive a trophy. The second 25% (second half of those who advanced) will receive commended status, be recognized in national publications and receive a plaque. Level two adjudicators will also provide recorded and written critique.
5. One work by each national winner will be selected for inclusion in the compilation recording which is provided to all entrants.
6. If you wish for your students to be considered for an outstanding soloist award, you will need to list their names and instruments in the 'Audition CD Information' box of the registration form or attach a detailed list.
