

This image shows a musical score for guitar, consisting of two systems of music. The top system is in standard notation, and the bottom system is in tablature (TAB).

System 1:

- Standard Notation:** The first measure contains a series of eighth notes on the treble clef staff, with a palm mute symbol (a vertical line with a diagonal slash) positioned above the staff. The second measure contains a series of eighth notes, with a palm mute symbol above the staff. The third measure contains a series of eighth notes, with a palm mute symbol above the staff.
- TAB:** The first measure contains the numbers 0, 2, 2, 2, 4. The second measure contains the numbers 0, 2, 2, 4. The third measure contains the numbers 2, (2), 0.

System 2:

- Standard Notation:** The first measure contains a series of eighth notes, with a palm mute symbol above the staff. The second measure contains a series of eighth notes, with a palm mute symbol above the staff. The third measure contains a series of eighth notes, with a palm mute symbol above the staff.
- TAB:** The first measure contains the numbers 0, 2, 2, 4. The second measure contains the numbers 0, 2, 2, 4. The third measure contains the numbers 0, 2, 2, 0, 0, 2.

The tablature system includes a vertical label 'TAB' on the left side. The numbers in the tablature represent fret numbers on the strings. The 'Palm Mute' symbols in the standard notation indicate that the sound of the notes should be muted.
