

Has your business been effected by Covid-19?

FREE BUSINESS COVID-19 HELPLINE

As many businesses continue to face uncertainty as they follow the Government's roadmap out of these challenging times, and as the Coronavirus Job Retention Scheme nears to an end once more, the Business Team at Thackray Williams understand that many business will again be facing the prospect of having to restructure, make redundancies or review their financial viability moving forward.

The Business Team are therefore offering a helping hand to both existing and new clients via a business Covid-19 helpline.

Whether your business is facing financial distress and you need some help, or you would like advice on conducting a fair redundancy process, the Business Team would be happy to provide you with a FREE 30 minute consultation, via our business Covid-19 helpline, to get you started on the right pathway.

Take advantage of our **FREE 30-minute business helpline consultation**, call the employment team today on: **020 8290 0440**.
