— COOKIE CART —

The **CART**

The Cookie Cart brings fresh-baked cookies straight to your event, no oven required. Built for corporate gatherings, private parties, and pop-ups, the cart turns any space into a dessert destination with a fully staffed, ready-to-serve setup.

The **TREATS**

Guests build their own plate from a rotating lineup of our classics: chocolate chip, lemon, birthday cake, snickerdoodle, crispy rice treats, and more.

The **EXPERIENCE**

The cart sets up anywhere, indoors or out, and comes staffed and ready to serve. Perfect for office parties, weddings, brand activations, and private events of any size. Add branded signage or custom decor to make it your own.
