PAPER I PAPER II INTERVIEW 28TH SEPTEMBER TO 10TH NOVEMBER

www.theippress.com

### **ABOUT THE COURSE**

Indian Patent Agent Examination is conducted by the Indian Patent Office (IPO) and requires thorough knowledge of the Indian Patents Act, Designs Act, patent drafting, and interpretation abilities. The exam is divided into three parts: Paper I, Paper II, and an interview. In order to help the candidates understand the Examination pattern and to qualify the same, we are offering a practical training-based crash course on the preparation for the Patent Agent examination 2025.

We wish to make the syllabus easier and more approachable through this course and help the student to understand the examination pattern, and the best way to attempt it.

### **OUTCOMES OF THE COURSE:**

- Prepare candidates to qualify for the Indian Patent Agent Examination (Paper I and Paper II) to be held in the year 2025.
- Train candidates for the patent agent interview (For candidates who pass Paper I and Paper II).
- Provide practical training on how to deal with Indian prosecution and drafting.
- Provide training on matters on Indian patent prosecution.
- Prepare freshers (looking for jobs in patent firms) for job interviews concerning patent agent work

### **METHODOLOGY**

The course is heavily learner-centred and utilizes elements of blended learning. Delivery will involve the completion of a range of activities combining academic and practicefocused learning.

This will include the use of traditional learning activities as well as simulated exercises requiring a good understanding of innovative technologies. Practical, conceptual and strategic/tactical issues will be considered. Learners will have access to comprehensive online resources, interactive tutorials, and test and feedback exercises.

To get the most out of the module, please ensure that you regularly engage with the virtual learning environment where you will find all of the materials you need to complete the module.

#### **INSTRUCTOR**

It will be a blend of industry professionals inlcuding patent agents, patent attorneys and patent professionals.

#### WHAT WILL BE COVERED?

- Introduction to Intellectual Property Rights
- Understanding the role of a Patent Agent including the qualifications, eligibility criteria
- Patents and Patentability criteria
- Processing of Indian Patent Application
- Patent Drafting
- Exercise related to Patent drafting
- Practice responding to FERs, Amendment of application, and specification
- Concept of unity of invention with examples, landmark case laws
- Jurisdiction, Opposition proceedings before patent Office
- International Scenario
- Concept of Revocation of the patent (grounds, procedure)

## DURATION

- The sessions shall be conducted only on the weekends.]
- 100% Online.
- 6 weeks course

### **COURSE FEE**

• Rs. 5999/-

### **REGISTRATION LINK:**
