2010-11 MOUNTAIN WEST SCHOLAR-ATHLETE AWARDS ANNOUNCED

League-record total of 581 student-athletes honored

COLORADO SPRINGS, Colo. – The Mountain West announced its 2010-11 Scholar-Athlete Award recipients today. A total of 581 student-athletes were honored, including 43 individuals who have achieved a 4.00 or higher cumulative grade point average over two or more terms, and 65 student-athletes who were recognized in multiple sports. This year's mark shattered the previous league record of 549 honorees, set in 2008-09.

The MW Scholar-Athlete Award is one of the highest academic honors bestowed by the Conference. To be eligible for selection, student-athletes must have completed at least two academic terms at the member institution, while maintaining a cumulative grade point average of 3.5 or better, and have participated in varsity competition in an NCAA-sponsored sport.
