2016-17 MOUNTAIN WEST SCHOLAR-ATHLETE AWARDS ANNOUNCED

League-record 756 student-athletes honored

COLORADO SPRINGS, Colo. – The Mountain West announced its 2016-17 Scholar-Athlete Award recipients today. A league-record 756 student-athletes were honored, including 77 individuals who have achieved a 4.00 or higher cumulative grade point average over two or more terms, and 71 student-athletes who were recognized in multiple sports. The 756 honorees surpass the previous Conference high of 734 in 2015-16.

The MW Scholar-Athlete Award is one of the highest academic honors bestowed by the Conference. To be eligible for selection, student-athletes must have completed at least two academic terms at the member institution, while maintaining a cumulative grade point average of 3.5 or better, and have participated in varsity competition in a Mountain West-sponsored sport.
