Postgame Interview Procedures

The Mountain West will work with the sports information director of a participating institution to select participants for postgame press conferences. Each participating institution must make all student-athletes available for all news conferences and a minimum of two student-athletes must appear. A cooling-off period of 15 minutes is set aside for the losing team's coach and student-athletes. It begins when the coach enters the locker room after the game. The cooling-off period shall be five minutes for the winning team. The winning team will appear in the interview room first. All student-athletes who played in the game must be available in the postgame locker room for 20 minutes if requested by the media. Due to space limitations, mini-cams are prohibited in the locker room. Mini-cam Interviews will take place in the designated area of the Thomas & Mack Center Tunnel.
