

MOUNTAIN WEST

2025-26 SEASON BRAND GUIDE

INTRODUCTION

PURPOSE

Transformative opportunities and experiences for students, schools and sport

PROOF OF PURPOSE

How we do it: With extraordinary integrity, inclusivity and visionary leadership

What we do: We deliver an elite and highly competitive D1 athletic experience with equal priority on our student-athlete's well-being, academic pursuits and outlook for a successful future

VISION

While supporting its student-athletes, the Mountain West seeks to become the most highly-respected, best-in-class national athletics Conference recognized for its achievements and endeavors successful future

COMPLIANCE

The Mountain West Brand Guidelines were completely overhauled in 2024-25. The updated MW Brand Guidelines are intended to ensure proper usage of the MW logo and maximize the broadcast exposure of the Mountain West in venues and on uniforms. While the goal is to have 100 percent alignment and accountability moving forward, there will be exceptions on updates to facilities and uniforms over the next two years if requests are submitted to the Mountain West. Proper court and uniform placement will be best efforts and will not be required until your next cycle occurs. The goal will be 100 percent compliance by the 2026-2027 academic year.

APPROVALS

All logo placements on fields, courts, uniforms, or other equipment must be submitted for approval before the logo is permanently applied or uniforms are ordered. Please submit proofs to **BrandApprovals@TheMW.com**

Please refer to the following pages of this document for guidance on the proper use of logos, colors, court and field application, and uniform logo placement.

Proper use of this document is critical to maintaining the integrity of The Mountain West brand. Non-member use must be authorized by the Conference.

IDENTITY GUIDANCE

MW Rock

Wordmark

MOUNTAIN WEST BRAND GUIDE

BRAND FAMILY

The MW Rock and Wordmark are the two primary logos that make up our identity system. Proper use of the logos ensures a cohesive brand experience with every interaction.

All applications, including print, digital, advertising, retail, signage, and on-campus use of The Mountain West logos, must be consistent with the guidelines outlined in the following pages or otherwise approved by the Conference.

PRIMARY LOGOS

MW Rock on a white background

MW Rock on a dark background

MW ROCK

The MW Rock is the preferred mark for most purposes. This logo appears in MW Purple, MW Gray, and white and is considered a full-color logo.

The MW Rock can be read upside down, but the correct application is when the “M” appears in purple.

All MW Rock logos have a white outline – this outline is part of the logo and must be present on every use.

Make sure proper contrast is maintained when placing the logo.

The Trademark (TM) symbol must always appear with the MW Rock for print and digital purposes; exceptions include minimum size, fields/courts, embroidery, etc. Please see the following pages for guidance.

MW Rock on a black background

MW Rock on a light background

Wordmark on a white background

Wordmark on a dark background

Wordmark on a black background

MOUNTAIN WEST BRAND GUIDE

PRIMARY LOGOS

WORDMARK

The Wordmark contains the full Conference name in addition to the MW Rock. This logo appears in MW Purple, MW Gray, and white and is considered a full-color logo.

The Wordmark is best suited for applications where the logo is viewed outside the context of college athletics. Examples include sponsorships, business cards, or signage where the viewer is less familiar with the Conference or college sports.

All MW Rock logos have a white outline — this outline is part of the logo and must be present on every use.

Ensure proper contrast is maintained when choosing between the logo with the Wordmark in MW Purple or white.

The Trademark (TM) symbol must always appear with the Wordmark for print and digital purposes; exceptions include minimum size, fields/courts, embroidery, etc. Please see the following pages for guidance.

SECONDARY LOGOS

MW Rock and Wordmark on a white background

GRAYSCALE

Full-color versions of the logos are preferred, but occasionally, a grayscale version of the logo is needed.

Please see the following page for 1-color: MW Purple, black, or white versions of the logos.

All MW Rock logos have a white outline – this outline is part of the logo and must be present on every use.

MW Rock and Wordmark on a light background

MW Rock and Wordmark on a black background

SECONDARY LOGOS

1-color logos on a white background

1-color logos on a light background

1-color logos on a dark background

1-color logos on a black background

1-COLOR

Full-color versions of the logos are preferred, but a 1-color version of the logo is occasionally needed.

1-color logo versions are acceptable in MW Purple, black, or white.

All MW Rock logos have a white outline — this outline is part of the logo and must be present on every use.

SECONDARY LOGOS

1-color logos on a white background

1-color logos on a light background

1-color logos on a dark background

1-color logos on a black background

1-COLOR

Full-color versions of the logos are preferred, but a 1-color version of the logo is occasionally needed.

1-color logo versions are acceptable in MW Purple, black, or white.

All MW Rock logos have a white outline — this outline is part of the logo and must be present on every use.

Stand alone wordmark may only be used when the MW Rock is also present (applies in all uses, including apparel and graphics)

MOUNTAIN WEST BRAND GUIDE

SUPPORTING BRAND LOGOS

MW GRADUATE LOGO

The MW Graduate logo is made up of the “Graduate” ribbon underneath the MW Rock. It may be worn on uniforms by student-athletes in each institutions school colors who have completed their undergraduate program and are pursuing a postgraduate degree.

MOUNTAIN WEST NETWORK AND APP LOGO

The Mountain West Network logo contains the network name in addition to the MW Rock. It may be used for streams and videos which are produced by The Mountain West Network staff in the Conference office or on campus.

The Mountain West App logo can be used in all app-related applications.

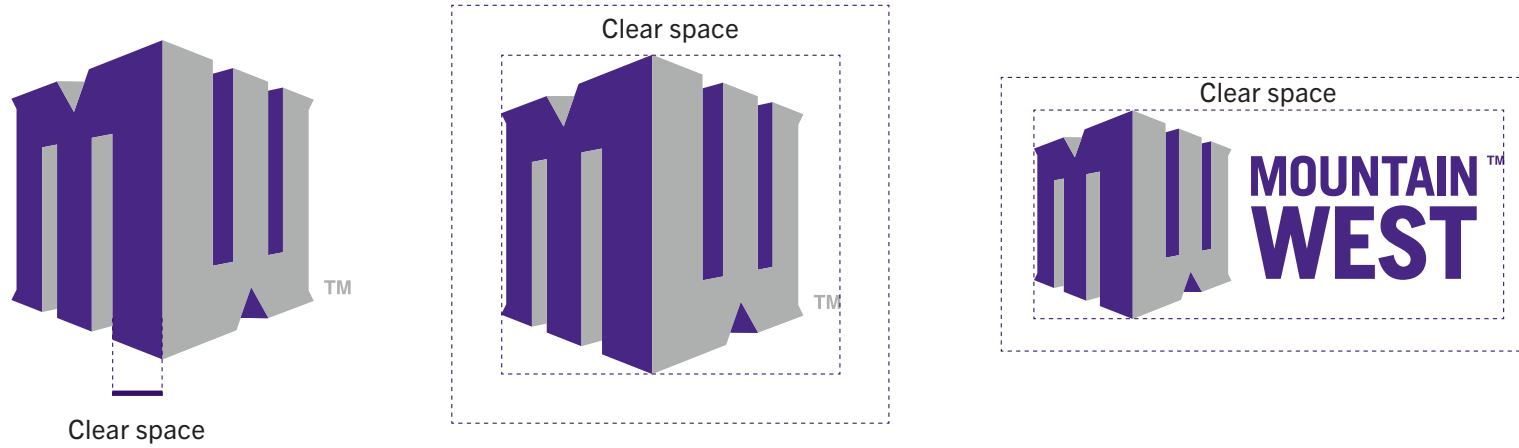

SPECIAL USE CASE LOGO TREATMENTS

These logos are only to be used in specific instances for a limited time and only with the explicit consent of The Mountain West.

Please apply all applicable usage guidance previously stated to the Supporting Brand logos on this page.

Clear space

Minimum size

MOUNTAIN WEST BRAND GUIDE

LOGO USAGE

CLEAR SPACE

Always keep the logos visible and legible by maintaining the minimum required clear space. While more space is ideal, use the width of the right leg of the “M” to determine the minimum clear space required. Measure from the tallest and widest point of the logo.

MINIMUM SIZE

A minimum size has been established to protect the integrity, detail, and legibility of the logos. All marks may be bigger but never smaller than the sizes listed.

When the MW Rock is scaled to .5” or below, removing the Trademark (TM) symbol is acceptable.

When the Wordmark is scaled to 1” or below, removing the Trademark (TM) symbol is acceptable.

LOGO MISUSE

Correct logo use ensures a consistent visual experience and aids brand recognition. These are examples of unacceptable and misused treatments.

Do not change the colors

Do not remove the white outline around the MW

Improper contrast between the logo and the background

Do not rotate

Improper contrast between the logo and the background

Improper contrast between the logo and the background

Do not crop

Do not remove the triangles from the "M" or the "W"

Do not rearrange elements of the logo

MOUNTAIN WEST BRAND GUIDE

DISCONTINUED BRAND ASSETS

Please refrain from using the following.

Please refrain from using the old version of the wordmark with “Mountain” and “West” in different colors.

Please refrain from using “At the Peak” in messaging and its associated marks.

Please refrain from using old versions of the logo.

Please refrain from using old versions of the logo.

Please refrain from using “Above The Rest” in messaging and its associated marks.

Please refrain from using “This Is Our Time” in messaging and its associated marks.

MOUNTAIN WEST BRAND GUIDE

COLOR PALETTE

When creating materials for The Mountain West, use the logo colors as primary colors.

Always use black for the body text color; on dark backgrounds, use white for the body text color. Headlines and callout copy can be MW Purple or Gray.

Opacities of the gray colors are acceptable. Avoid using opacities of the purples—especially making the purple lighter or a softer tone.

COLOR USAGE RATIO

When designing communications, the primary color palette should always receive priority, with white being a primary element. The primary color palette should visually represent 50% of the total color used on any single layout. All materials should include generous proportions of white space.

Our secondary colors are used in smaller percentages compared to our primary colors. Secondary colors should be used as supplemental accents and never exceed 50% of the total color on any single layout.

Primary typeface for design purposes

TYPEFACES

Trade Gothic Next LT Pro is the preferred font for all formally designed Mountain West communications. For all other non-designed executions, i.e., Microsoft Office, PowerPoint Word, Keynote, Google Docs, etc., use Arial.

Trade Gothic Next LT Pro can be found at: <https://fonts.adobe.com/fonts/trade-gothic-next>

Correct use of the name ensures clarity and a consistent brand experience. In spoken and written applications, “The Mountain West” is the proper name of the Conference. Using the word “Conference” in the name, i.e., “The Mountain West Conference,” is also acceptable.

ABBREVIATIONS AND ACRONYMS

In written text, the entire name, “Mountain West,” should be mentioned in the first instance, and then it is acceptable to proceed with “MW” or “the Conference.”

It is unacceptable to refer to the Conference as “MWC,” “Mtn. West,” or “Mt. West.”

Players, Teams and Institutions

- We refer to our athletes as athletes, student athletes or players.
- Our teams are Women’s and Men’s teams.
- When possible, list member institutions in alphabetical order.

MOUNTAIN WEST BRAND GUIDE

EXPOSURE ELEMENTS

- A Mountain West logo and a link to www.TheMW.com must be prominently displayed on each institution's website.
- When speaking of the league, endeavor to promote The Mountain West. Rather than saying "This is a tough Conference.", state such things as "The Mountain West is..."
- Strongly consider cross-promotional elements, such as putting The Mountain West logo on the sleeve of shirts with your official logo on the left chest.
- When possible, place a Mountain West logo on tickets.
- Place The Mountain West logo and website address in season ticket brochures and other mailings to booster club members and season ticket holders.
- Incorporate The Mountain West logo in backdrop banners for all interviews, see the suggested step and repeat patterns below.
- Incorporate The Mountain West logo on social media graphics. Collaborate with The Mountain West to share each other's posts on social media channels.

FACILITY-SPECIFIC APPLICATIONS

BASEBALL AND SOFTBALL

All MW Rock logos have a white outline – this outline is part of the logo and must be present on every use.

The MW “M” always appears in purple or the primary institutional color.

MOUNTAIN WEST BRAND GUIDE

SPORT-SPECIFIC APPLICATIONS

LOGO SPECIFICATIONS

The MW Rock logo is required on all baseball and softball fields.

The MW Rock is required to appear on the wall behind home plate (A) and on the outfield wall on either location (B) or (C).

The logo should be utilized in the official Mountain West colors (or institutional colors) with a white outline.

It is not necessary to include the Trademark (TM) symbol.

APPROVALS

All logo placements on fields, courts, uniforms, or other equipment must be submitted for approval before the logo is permanently applied or uniforms are ordered. Please submit proofs to BrandApprovals@TheMW.com

BASKETBALL

- All institutions will incorporate The Mountain West logo on the playing surface of their basketball court. Final location must be approved by The Mountain West.
- Each institution is required to use the Conference-provided MW logo apparel for the current academic year on the scorers table at every men's and women's basketball game.
- Each institution must use The Mountain West Slipp-Notts for every men's and women's game.
- To promote championship ticket sales, each institution must show the official championship logo and dates on the scorer's table signage/digital fascia or hang banners in other highly-visible locations throughout the year.
- Each institution is required to post the MW Basketball Championships ticket graphics on the home page, men's and women's basketball pages, and ticket pages on its athletics website. All ticket packages (All-Session VIP, Premium, lower bowl) and ticket add-ons (VIP Hospitality) and prices are required to be included on the website ticket page and hyperlinked to the graphics.
- Each institution must read The Mountain West PA announcements promoting the basketball tournaments and ticket sales at their institution.
- Each institution must run The Mountain West radio spots promoting the tournament and ticket sales at their institution.
- Each institution must place a full-page Mountain West game program ad promoting the tournament and ticket sales at their institution.
- Each institution must run television/video spots to promote the tournament on in-arena video boards and on local television broadcasts.
- Each institution must place the Mountain West logo on cover of all basketball publications, including media guides, schedule cards, posters, etc.

GYMNASTICS UNIFORM

The MW Rock logo is required on all uniforms, helmets, caps, visors and coaching sideline gear.

The MW Rock logo, in the official Mountain West or institutional colors, shall be placed on the left or right hip, or the left or right sleeve of the leotard. The logo should be 2” x 2” in size.

If needed, patches will be provided by The Mountain West.

It is acceptable to bead the MW Rock logo to match the design of the leotard.

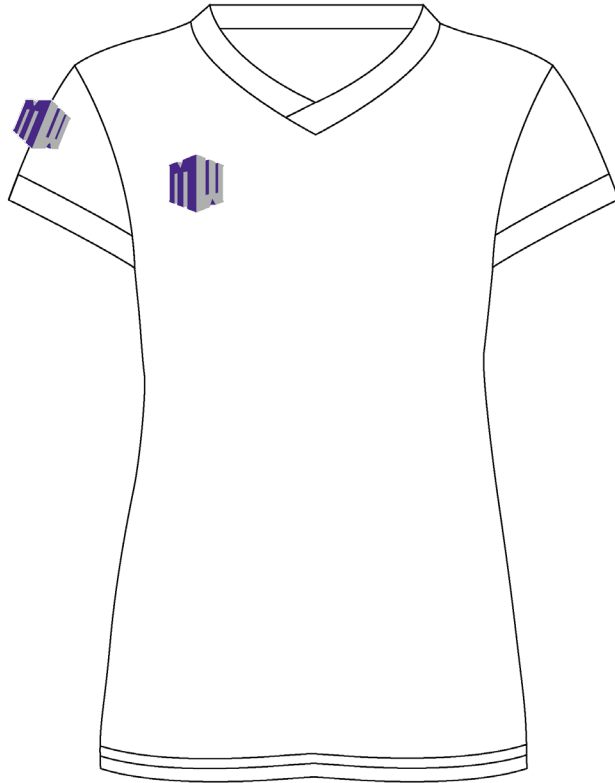

The equipment manager has the option to use a heat seal logo instead of a patch, if they choose to. However, it is the responsibility of the institution to produce the heat seal logo option.

APPROVALS
