

ADA courtesy cart service

Courtesy Cart Service is available to disabled fans from the main disabled parking area

(adjacent to Sun Devil Stadium and the Desert Arboretum Park) as well as South Packard Drive Structure Parking Garage and will run to the southeast, northeast, and northwest entrances. These carts are for disabled fans and one companion and service animal only. There are designated cart routes depending on where fans are seated in the stadium, please see the line leader at each pickup and drop off location to ensure disabled fans needing cart service get on the appropriate cart. Courtesy carts will only drive on designated routes; pick up and drop off locations are clearly marked in the two accessible lots as well as at the southeast, northeast, and northwest entrances. The courtesy cart service will be available two hours prior to kick off until approximately one hour following the conclusion of the game. Due to high volume of pedestrian traffic in and around the stadium, pre and post-game, the courtesy cart service may experience delays so please be patient if utilizing this service. Please see the attached map to view the courtesy cart service routes.

Inside Sun Devil Stadium there will only be courtesy cart service available at the northwest entrance.

These courtesy carts are for disabled fans and one companion and service animal only. The northwest cart service will run to the main concourse only. The courtesy cart service inside Sun Devil Stadium will begin operating when gates open and will run until the stadium is cleared. Due to high volume of pedestrian traffic in and around the stadium, pre and post-game, the courtesy cart service may experience delays so please be patient if utilizing this service.
