BOISE STATE, WESTERN MICHIGAN, AND NORTHERN ILLINOIS TOP TEAM GPA LIST

BOWLING GREEN, OHIO (August 19, 2019) – Boise State, Western Michigan, and Northern Illinois own the top three team grade-point averages (GPAs) for the 2018-19 academic year based on data released by the Women's Collegiate Gymnastics Association (WCGA) today.

Overall, there were 31 teams and more than 56 percent of student-athletes maintaining a GPA of 3.5 or more on a 4.0 scale. A record number of student-athletes, 125 (8.91%), recorded a 4.0 GPA.

"The classroom has always been a focus for women's gymnastics student-athletes, and these numbers indicate they are as talented academically as they are athletically," Kerrie Turner, WCGA president and head coach at Bowling Green, said. "This kind of systemic success is the result of a lot of hard work by everyone involved in our programs."

Boise State, led by co-head coaches Tina Bird and Neil Resnick, posted the top team GPA with a 3.7700 and had 13 student-athletes with a GPA of 3.5 or more. The Broncos were No. 1 on the list last year and in 2015-16 season and finished second in 2016-17. Individually, five Boise State student-athletes had a 4.0, and 81.25% team had a 3.79 or higher GPA.

Another team of Broncos took the No. 2 spot on the list with a 3.7495 team GPA. The Western Michigan squad, coached by Penny Jernigan, were No. 2 in team GPA last year too. Overall, 88.24% of the team had a 3.5 GPA or better.

Northern Illinois was No. 3 on the team academic list with a 3.7133 GPA. Head coach Sam Morreale's team was ranked No. 16 overall last year with a team GPA of 3.6153.

A complete list of team GPAs as submitted and documented by the institutions are attached. Also attached is a list of WCGA Scholastic All-America Award winners, who are all student-athletes with 3.5 overall grade point average or a 3.5 grade point average for 2018-19.

The WCGA is the advocate for women's collegiate gymnastics.
