NCAA compliance rules

Arizona State University

athletics compliance

Integrity is a core principle of Sun Devil Athletics. Essential to that principle is a commitment to athletics compliance – following the rules of the NCAA and Big 12. Rules compliance is a responsibility shared among all Sun Devil Athletics stakeholders, including SDA coaches, student-athletes, prospective student-athletes, and representatives of ASU's athletics interests (more commonly referred to as "boosters").

As a Sun Devil gymnastics fan, you are likely to be considered a booster under NCAA legislation, and your actions could therefore have an impact on SDA's sports programs. Remember that once you become an SDA booster, you remain one indefinitely. We ask that you please read and familiarize yourself with the following summary of NCAA booster legislation so you can help us prevent activities that might jeopardize SDA's interests and those of our student-athletes. While the information does not contain all applicable rules, it should serve as a guide regarding whether an activity is permissible.

Summary of NCAA booster rules

Booster rule #1

You cannot recruit prospects, either directly or through prospects' friends or families.

Impermissible recruiting:

- Contacting (e.g., phone, text, in person) prospects or their relatives, coaches, or high school administrators.
- Having face-to-face conversations with prospects (or their relatives) during prospects' visits to campus including game days and practices.

Booster rule #2

You cannot give anything to student-athletes (prospective or current) or their friends or families that is not authorized under NCAA rules.

Impermissible benefits to student-athletes and prospects

- Allowing the use of your personal property (e.g., boats, homes, cars).
- Providing or co-signing for loans.
- Providing cash, gift cards, free or reduced-cost lodging, entertainment, services, or products.
- Promising employment, money, gifts, or anything else of value after college graduation.

NCAA compliance rules

So what are you permitted to do?

The answer depends on whether a student is a prospective or a current student-athlete. An individual becomes a Sun Devil prospect when they begin the ninth grade. A prospect then becomes a student-athlete after beginning team practice or attending class at ASU. The following lists provide examples of activities permitted under NCAA legislation for prospects and student-athletes.

Prospects – Permissible activities

- Attending high school, community college, and public events in which prospects are participating. But you may not attempt to contact or recruit those prospects.
- Continuing established family relationships with prospects and relatives as long as contacts and communications remain unrelated to recruiting.
- Accepting calls from a prospect as long as they are not arranged by coaches or staff members and are unrelated to athletics. You should direct a prospect to an SDA coach or the Compliance Office staff if he or she has questions about athletics.

Student-athletes – Permissible activities

- Speaking with student-athletes at games, events, banquets, etc. To determine the best way to communicate, ask the student-athlete or coach – generally email is the preferred method.
- Hosting an occasional meal for a student-athlete or an entire team at your home or on ASU's campus. You must obtain prior approval by the Compliance Office.
- Employing a student-athlete, as long as you pay the going rate for work actually and already performed and have documentation of the payments.
- Using a student-athlete to promote your business, so long as ASU's NIL activity policy is followed. NIL activities must not be used to compensate student-athletes for athletics performance or recruit prospective student-athletes to ASU. Please visit our NIL website at sundevice.com/nil for more information relating to ASU's NIL policy.

For more information regarding booster and other NCAA rules, visit the Sun Devil Compliance website at sundevice.com/fans-and-boosters, follow the Compliance Office on Twitter @SunDevilsAsk, or contact the Compliance Office at **(480) 965-5760** or SunDevilsAsk@asu.edu.
