THE GAME - Sun Devil Football will conclude the 2021 football season by competing in the SRS Distribution Las Vegas Bowl on Dec. 30 against the Wisconsin Badgers at Allegiant Stadium in Las Vegas. Like the majority of Sun Devil games this season, it will feature a late kickoff with the game scheduled for 8:30 p.m. AZT/7:30 p.m Locally. It will be ASU's 11th night game of 2021 and 10th to kick off after 7 p.m. Arizona time. The contest will be broadcast nationally on ESPN (Beth Mowins, Kirk Morrison, Dawn Davenport on the call) and available over the airwaves locally on Arizona Sports 98.7 FM (Tim Healey, Jeff Van Raaphorst, Jeff Munn).

ON THE BADGERS - Arizona State will take on a familiar foe in the Las Vegas Bowl, having faced Wisconsin four times. The Sun Devils are 3-1 all-time against the Badgers, with the Maroon & Gold coming away with a 32-30 victory in the most recent meeting back in 2013 at Sun Devil Stadium. This will be the first postseason meeting between the two programs. The 2021 Badgers enter the game with the nation's top total defense and rushing defense, allowing just 240.8 total yards per game and a paltry 65.2 rushing yards per game. ASU sits 18th in total defense (328.7) and that will mark the Las Vegas Bowl as one of just two bowl games outside of the two College Football Playoff semifinals to feature a pair of Top-20 defenses (Clemson vs. lowa State in the Cheez-It Bowl). Wisconsin allowed just 733 TOTAL rushing yards this season - a tally ASU surpassed in its final four games alone (896/224.0 per game). This is ASU's first bowl game against a BIG TEN team since 2005.

GOIN' BOWLIN'

- » ASU has been bowl eligible in nine of the last ten years (since 2011), excluding the 2020 COVID season.
- » ASU is one of only 20 Power 5 schools to have reached bowl eligibility in nine of the last ten years (excluding the 2020 COVID season), a list that includes 2021 Las Vegas Bowl opponent Wisconsin
- ASU has made four straight bowl games for just the fifth time in program history
- » The Sun Devils have averaged 33.4 points/game over their past seven bowl appearances
- » ASU has scored 30 or more points in 13 bowl games and held opponents to 20 points or less in 9
- The Sun Devils are 3-2 against teams that were in the Big Ten at the time of the bowl matchup (excluding Rutgers/Nebraska), most recently defeating Purdue 27-23 in the 2004 Sun Bowl
- Jayden Daniels looks to become just the 3rd quarterback in program history to win two bowl games in his career (Taylor Kelly, 2012/'14; Danny White, 1973/'74/'75)
- ASU will play their fourth bowl game on December 30, going 2-1 in previous occasions. Most famously, the Sun Devils defeated North Carolina 48-26 in the 1970 Peach Bowl on Dec. 30.
- 28 different Sun Devils have earned a Bowl Game MVP honor, including current quarterback Jayden Daniels, who was the Offensive MVP of the 2019 Sun Bowl.

AN ASU VICTORY WOULD..

- Move ASU back to .500 all-time in Bowl Games (currently 15-16-1)
- Be the first time ASU won two straight Bowl Games since 2004 and 2005 (Sun Bowl and Insight Bowl).
- Give ASU its first 9-win season since a 10-3 2014 campaign.
- Mark Jayden Daniels as just the third ASU quarterback in history to win two bowl games.
- Would move ASU's record to 7-2 against BIG TEN teams in bowl games

RECENT SUCCESS

- ASU has produced three straight seven-win seasons over a full season, notable as ASU has just 21 of those since joining the Pac-12 in 1978. Two of those were eight-win seasons, where ASU has posted just 15 8+ wins since 1978 (11/1, 10/5, 9/4, 8/5, 7/6).
- The Sun Devils have back-to-back eight-win seasons in its last two non-COVID years, one of just 29 FBS teams to accomplish the feat.
- ASU was one of just 21 Power Five teams to win six conference games this year, doing so for just the seventh time since joining the Pac-12.
- ASU has won two or more road games in each of the last four years. It is the first time since 2004-07 that the Sun Devils have accomplished the feat in four consecutive seasons.
- ASU defeated both UCLA and USC in the same season for the second time in four years under Herm Edwards, notable as the feat was accomplished just four times, PERIOD, since joining the Pact 19
- The Sun Devils have won five straight over rival Arizona, the longest streak for either team since the UA won five in a row from 1982-86. It is the longest streak for ASU since winning nine straight from 1965-73.

MILESTONE WATCH

- 134 passing yards by Jayden Daniels to reach 6,000 in his career (Currently at 5,866)
- 117 rushing yards by Jayden Daniels to surpass Taylor Kelly's school rushing record for a quarterback (Kelly sits at 1,404 to Daniels' 1288).

#BYTHENUMBERS

ASU has forced 60 offensive turnovers overall since 2019, 15th among all FBS teams despite playing significantly fewer games than most schools in 2020.

ASU has outscored opponents 844-444 in points off takeaways since 2012. Since 2012, ASU has scored 63.5 percent of the time following an opponent turnover (141 of 222) while finding the end zone 105 times in that span (47.3 percent). With three this year, ASU has 21 interception returns for touchdowns since the 2012 campaign - a tally tied for first in the Pac-12 (Utah) and fifth in the FBS in that time span.

50

ASU has allowed just seven plays over 50 yards to opponents since the 2018 season over 42 games. The .17 50+ yard plays per game allowed are second-fewest in the FBS in that time behind only Washington (.12 per game on 5 plays over 43 games). ASU ranked in the bottom 10 nationally in 50+ yards played allowed each year from 2014-17. The last 50-yard play allowed was a rush by UCLA's Britain Brown in 2020, giving ASU a streak of 14 straight games without a 50-yard play allowed - the longest active streak in the FBS. ASU has gone 16 games without a 50-yard play allowed.

49

Despite playing significantly fewer games than the teams ahead of it, **ASU's 49 rushing touchdowns** since the beginning of 2020 are 21st among all **FBS teams.** ASU has accomplished the feat in 16 games, where none of the 20 teams ranked ahead of ASU have fewer than 23 games over the last two years. Arizona State's 33 rushing touchdowns this were 8th in the regular season and the most it has had since 2013 (36). ASU has rushed for at least 100 yards as a team in 16 straight games - the longest streak since the last 10 games of 1995 and the first 11 of 1996 - a 21-game stretch over two seasons.

29

ASU has held opponents to less than 30 points in 29 of 41 games under Herm Edwards, notable as it DID allow 30+ in 32 of 43 previous games dating back in a span from 2013-17. ASU is currently 25th in the FBS and second in the Pac-12 in allowing just 20.9 points per game. Last season, ASU was first in the Pac-12 in allowing just 23.2 points per game (32nd nationally). In 2019, ASU was 35th (22.4 ppg). The Sun Devils allowed just 25.5 ppg in 2018, good for 53rd nationally. These totals are notable as ASU was 103rd nationally at 32.8 points per game allowed in 2017 and had finished 99th or worse in three consecutive seasons prior.

21

ASU allowed just 21 sacks this year, tied for 36th-fewest in the FBS and notable as - outside of 2018 (12th in FBS with only 16 allowed) and excluding the shortened 2020 season – ASU finished outside the Top-100 seven times (2012-17, 2019) in the last decade and have not been in the Top 75 in any season since AT LEAST 2005 (when the NCAA sacks allowed records start becoming more difficult to locate).All told, the ASU offensive linemen alone allowed just 65 quarterback pressures this year - 10 fewer than any other Pac-12 school and 17th-fewest in the FBS. As a team, only 30 pressures this season have come unblocked, good for the 16th-lowest total in the FBS.

ASU now has nine occurrences this season in which it has held an opponent to less than 100 yards rushing AND/OR less than 100 yards passing (6 games under 100 yards rushing/3 games under 100 yards passing). The nine total sub-100 stat lines in one category or the other are the most since 1996 (also 9 - 5 games under 100 yards rushing, 4 under 100 yard passing). The three games holding opponents under 100 passing yards marks the first time that has happened since doing it thrice in 1996.

2021 SUN DEVIL FOOTBALL NOTES

***All rankings and statistics reflect ASU's position at the end of the regular season/conference championships. Bowl Games that have taken place or will take place before Dec. 30 are not included.

RUSH HOUR

- Despite playing significantly fewer games than the teams ahead of it, ASU's 49 rushing touchdowns since the beginning of 2020 are 21st among all FBS teams. ASU has accomplished the feat in 16 games, where none of the 20 teams ranked ahead of ASU have fewer than 23 games over the last two years.

White was the first player to rush for over 200 yards since Eno Benjamin's school record 312 yards against Oregon State in 2018. It was the 22nd instance of a Sun Devil rushing for over 200 yards in program history and the 16th individual to reach the milestone. The 202 yards were the third-most in the 38 games played in the series between the two teams. It was the first time USC had allowed a 200-yard rusher since UCLA Josh Kelly in 2018 (289). He was the first player to rush for over 100 yards (102) in the first half since Benjamin against USC in 2018. He was also the first ASU player with two rushing touchdowns over 47 yards since Benjamin in that same USC game in 2018.
- » More on the UW outing: His 184 rushing yards were the seventh-best ever by a Sun Devil back in a road Pac-12 game. White recorded all three of ASU's third-down conversions in the game, all three of which were in the fourth quarter. White also recorded both of ASU's fourth-down conversions in the game, which also both came in the fourth quarter.

^{*-} Indicates extra COVID-19 year utilized

Please note, the Sun Devil Football staff has chosen to advance most players in eligibility that appeared in a game in 2020, just like they would have in a regular season. This also includes select freshman that technically did not appear in over four games and thus were allowed to utilize the "redshirt" clause that was installed by the NCAA a couple years ago. The COVID-19 year will only be reflected in student-athletes that return for the extra season that would have otherwise exhausted their availability.

* - Indicates player is using his extra year of COVID-19 eligibility ^ - Indicates player will be eligible for the extra COVID-19 season after exhausting their normal eligibility at ASU

Please note, the Sun Devil Football staff has chosen to advance most players in eligibility that appeared in a game in 2020, just like they would have in a regular season. This also includes select freshman that technically did not appear in over four games and thus were allowed to utilize the "redshirt" clause that was installed by the NCAA a couple years ago. The COVID-19 year will only be reflected in student-athletes that return for the extra season that would have otherwise exhausted their availability.
