Initiated in 2011, **Beavers without Borders** is a program that offers global service-learning experiences for student-athletes at Oregon State University.

The program has successfully completed eight service projects including trips to Guatemala, Macedonia, Ethiopia, Costa Rica and most recently the Dominican Republic.

Throughout those trips, over 100 student-athletes were able to experience life in a distinct culture, learn about the impact of their work on a community and interact outside of the university context to maximize the intercultural experience.

This year marked the second-straight year that Oregon State Athletics has sponsored two Beavers Without Borders trips. In June, 12 athletes made the trip to the Dominican Republic, with another 12 heading to Guatemala in August. The full list is below:

*"Celebrating the never ending tradition of Oregon State Athletics by continuing to honor its past, educate its present, and prepare for its future; while connecting all who have contributed to its legacy."*

In the spirit of camaraderie, Oregon State University's **Varsity OSU** Association is dedicated to upholding the long tradition of athletic and academic excellence at Oregon State. Varsity OSU serves its membership by enhancing relationships among alumni letter-winners, current student-athletes, and current and former coaches and administrators.

The **#DamWorthIt** Campaign was started last summer to bring awareness to mental health issues involving student-athletes. The program was spear-headed by former Oregon State gymnast Taylor Ricci, along with current men's soccer player Nathan Braaten.

The **#DamWorthIt** Campaign has already received national attention including winning a Giant Steps Award from the Institute For Sport and Social Justice and receiving attention from the NCAA APPLE Conference.
