Closing the microchip manufacturing gap

Arizona State University has been deeply connected to the semiconductor industry since the 1950s. Today, through research in the field, in partnership with private industry at facilities like MacroTechnology Works at ASU Research Park, ASU is accelerating to close the microchip manufacturing gap. ASU, together with industry partners, is advancing America's global competitiveness and building a new economy for Arizona.

Sun Devils® in the NFL

Super Bowl Sun Devils

The Sun Devils have had some great history with the Super Bowl.

Arizona State All-American Terrell Suggs was a part of the Kansas City Chiefs Super Bowl LIV in February of 2020, giving him a pair of NFL titles after previously earning a Super Bowl ring with the Baltimore Ravens back in 2013.

With Suggs helping lead Kansas City to a victory on the biggest stage in professional sports, the Chiefs became the 32nd Super Bowl-winning team to feature a Sun Devil. An incredible 34 Super Bowl rings have been earned by Sun Devils, two of them on the hand of Terrell Suggs. Suggs becomes just the sixth Sun Devil in history to win two or more Super Bowls, joining elite company: Darren Woodson (1993, 1994, & 1995 Cowboys), Mike Richardson (1986 Bears, 1990 49ers), Jim Jeffcoat (1993 & 1994 Cowboys), Grey Ruegamer (2002 Patriots, 2008 Giants), and Marvel Smith (2006 & 2009 Steelers).

Inside #SunDevils4Life Super Bowl Numbers (Through Super Bowl LVI):

- 53** Sun Devils on teams that advanced to the Super Bowl
- 17** Sun Devils have been a part of multiple Super Bowls
- 43** Super Bowls have featured at least one Sun Devil

HISTORY and TRADITIONS

This is Sun Devil Football

Territorial Cup

Thanks to a historic find in a church basement several years ago, Arizona State University and the University of Arizona can now claim the oldest intercollegiate rivalry trophy in the nation. The Territorial Championship Cup®, which has been registered with the NCAA, was first presented to Tempe Normal School (now ASU) on Nov. 30, 1899, following an 11-2 victory over the University of Arizona at Tucson's Carillo Gardens Field. The Territorial Cup® was lost for a time and was discovered years ago in the basement of a church that was being demolished. According to the NCAA, the previous oldest trophy was the Michigan/Minnesota Little Brown Jug which dates back to 1909.

The Mascot

On Nov. 8, 1946, the students of Arizona State College voted 816 to 196 in favor of changing the school's nickname from the Bulldogs

to the Sun Devils. Phoenix attorney Walter E. Craig contacted a former classmate, Berk Anthony, who was an artist employed by Walt Disney Studios. Anthony designed the Sun Devil free of charge.

The Gear

Beginning in July 2015, Sun Devil Athletics embarked on its new, eight-year partnership with adidas with a goal of advancing the brand, including the use of iconic logos like the Pitchfork as well as historic logos like Sparky and the interlocking AS. The partnership with adidas set the standard for apparel contracts by creating provisions to adapt for the addition of sports and dollars allocated towards marketing and facility upgrades. The company has also shown its investment in Sun Devil student-athletes, giving them the opportunity to test and provide feedback on its latest performance gear prior to release.

Arizona State

part of the legend of Sun Devil Stadium – the only college football stadium located between two mountains. Just to the west of Sun Devil Stadium is "A" Mountain. Originally installed on Tempe Butte in 1918, the letter has been changed from a "T" to an "N" to the "A" of today as the name

of the school has changed. In 1952, a bomb destroyed the letter, but in 1955, the present "A", which stands 60 feet tall, was built using reinforced steel and poured concrete.

Coca-Cola Tailgate Tour

To help celebrate Sun Devil Football's Green Game, the Great Calls with Coca-Cola Tailgate tour is located on the Southeast plaza. This massive solar powered tailgating boombox is sure to enhance your ASU fan experience in a fun and unique way.

Think Before you Throw - Sustainability Tips

- **Ditching disposables** - i.e. paper plates and plastic cutlery, and look for products you can reuse at each tailgate
- **Buy in bulk** - to reduce plastic consumption
- **Recycle properly** - aluminum cans, plastic bottles, and aluminum foil is recyclable, just be sure to ball the foil up
- Do not put soft plastics, like plastic bags, in the recycling bins
- **Grill** - use electric starter instead of charcoal, or natural gas grill instead of charcoal
- **Choose sustainable transportation** - Sun Devil Stadium now has more bicycle parking and remains easily accessible via Valley Metro buses, neighborhood circulator shuttles and light rail, or carpool with your friends!
- Sort your waste into landfill and recycling
- **Bag it** - Pro Em, Parking & Transit staff, and Zero Waste staff have bags for recycling available in your tailgating zone if needed. ASU staff will then pick up the bagged waste if left in the tailgating spot
