## FREE CATCH BUCKET PROGRAM

**This program is subject to change without notice and is subject to the availability of funding.**

Your Water Conservation Representative: **Madeline Kacsinta** - [mkacsinta@pismo-beach.org](mailto:mkacsinta@pismo-beach.org)

### Program Goal:

The intent of the Catch Bucket Program is to encourage repurposing reclaimed water to conserve water in an easy and cost effective way.

### Background:

Every time you wait for your shower to heat up, you are missing an opportunity to reclaim water and repurpose it for landscaping, cleaning, or utilities. A typical shower expends about 2 gallons of water in order to reach your optimum temperature. Take advantage of our catch bucket program and don't let another unused drop go down the drain. Continue to save money each month on your water bill!

### Rebate:

If all of the terms and conditions are satisfied, this program will give 1 free shower catch bucket to qualifying residents to use to catch unused shower water and repurpose it for irrigation or utility purposes.

### How to Participate:

1. [Fill out application.](#)
2. Turn in application to City Hall (Engineering Department)  
760 Mattie Road, Pismo Beach CA 93449
3. Present photo ID and water bill proving residence in the City of Pismo Beach
4. Receive your free catch bucket!

### Terms and Conditions:

PLEASE READ THIS INFORMATION CAREFULLY. In order to receive a catch bucket sponsored by the City of Pismo Beach, the applicant must completely fill out the application and comply with the requirements on this form. Failure to do so may result in disqualification.

1. The property receiving the catch bucket must be a water customer of the City of Pismo Beach.
2. The application form must be completely filled out.
3. The City enforces only the terms and conditions of this agreement.

For further information, please contact the Public Works Department at 773-4656, email your Water Conservation Representative at [mkacsinta@pismo-beach.org](mailto:mkacsinta@pismo-beach.org), or go to [www.thinkh2onow.com](http://www.thinkh2onow.com) for more water conservation information.

The number of catch buckets are limited. Only one bucket will be issued per household.
