Your obligations

It's important that you take reasonable care when answering any questions we ask by ensuring that all information provided is accurate and complete.

If you carelessly provide to us, or the insurer, false or misleading information it could adversely affect your policy and any claim. If you deliberately or recklessly provide false or misleading information the insurer may be entitled to treat your policy as if it never existed, decline all claims and take further legal action against you.

You must also tell us, as soon as possible, about any change in circumstances as this could affect your insurance cover. Examples of the type of circumstances you need to tell us about can be found in your policy wording.

How we hold your policy premiums

We act as agents for the insurer for the collection and refund of premiums. This means that premiums are treated as being received by the insurer when cleared funds are received by us from you, and that any premium refund is treated as received by you only when it is actually paid over to you by us.

You must pay the premium for your insurance by the date specified to you in your quotation for your insurance to be in force.

Your debit/credit card information will be replaced by a secure token so we can use the same card to take payments for automatic renewals and to pay or refund other premiums that may become due upon changes to the policy.

What will you have to pay us for our services?

We charge fees to cover the costs involved in setting up, servicing and cancelling your policy. The list of fees shown are current at the time of publishing, but we reserve the right to vary them if necessary. If you purchase a product via our website, you will be notified of fees prior to your purchase.

- Arrangement of new policies and renewals: £25 (non-refundable upon policy cancellation)
- Policy alterations: £30
- Policy cancellation after 14 day cooling off period: £50 fee in addition to a pro rata "Time on Risk" charge that is applicable
- Cancellation within the 14 day cooling off period: £50 fee in addition to a Pro Rata "Time on Risk" charge that will be applied if the policy has been cancelled after its been set up.

We will offer Premium Finance facilities through Close Brothers finance. Where the premium finance option is taken up, we will receive a commission which is a percentage of the total premium financed.

When payment is made using the premium finance option a minimum deposit of 20% will be required followed by 9 instalments at inception, this changes to 10 instalments from renewal.

If you make a claim and your policy is paid by monthly instalments you must still pay the full annual premium due under the credit agreement. If your vehicle is uneconomical to repair, we will offer you the option of us deducting the remaining balance due from any claims amount payable to you, or you may make a full payment of any amount outstanding.

Important – Please note, at the end of your policy term, we will use the card you originally provided us with to automatically renew your cover, unless you tell us to use an alternative card or payment method, or not to renew.

Motor insurance database

Information relating to your insurance policy will be added to the Motor Insurance Database (MID) which is managed by the Motor Insurers' Bureau (MIB). The MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- Electronic Licensing;
- Continuous Insurance Enforcement;
- Law enforcement (prevention, detection, apprehension and/or prosecution of offenders);
- The provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving.
- If you are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information. Persons (including their appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration number details are shown on the MID at www.askmid.com.

Under the conditions of your insurance policy, you must tell us about any incident (such as an accident or theft) which may or may not give rise to a claim. When you tell us about an incident, we will pass information relating to it to the registers.

In order to prevent and detect fraud, we may at any time:

- Share information about you with other organisations including the police
- Conduct searches about you using publicly available databases
- Undertake credit searches
- Check and/or share your details with fraud prevention and detection agencies.

If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies. Law enforcement agencies may access and use this information.

- Checking details on applications for credit and credit related or other facilities
- Managing credit and credit related accounts or facilities
- Recovering debt and tracing beneficiaries

Documents

If you have received your documents electronically, we will be pleased to provide paper copies on request and at no additional charge.
