GYM

Management System

Be Convenient

Convenience is now the currency that drives customer loyalty. Our gym software helps clubs find more ways to make life convenient for their members everyday.

Be Data-Driven

Collect more data-driven insights from a fitness software provider that predicates itself on being data first at all times.

Be a Brand

Customize your software with your logo and theme, personalized reports, SMS notifications, monthly updates and other feature to engage your clients for branding and marketing.

GYM

Management System

Train clients

Manage everything related to a client's workout in one place while easily logging workouts from your custom-branded dashboards to track progress, provide data to check the consistency and more.

Engage with clients

Acquire, nurture, and retain clients throughout the funnel with full CRM and client life cycle management. Send email, SMS, notifications automatically to engage and delight your clients.

Memberships, Payment & Renewal Management

Total membership management for the new & renewal memberships with automated SMS alerts, Active & Inactive memberships, Automated membership expiry alerts, Reports management, Membership balance reminder, Block access for inactive memberships, Single click finance details

GYM

Management System

Access Control & Attendance Management

Now easily get the automated biometric, face, card or turnstile based attendance for the members & staff with custom reports. Track the Check In & Check Out for the members, Track the Check In & Check Out for the staff, Custom attendance reports, Automated alerts for the absent members

Generate Revenue

Monetize and grow your fitness business. Payment processing, Referral schemes, commissions, invoicing, account balances, coupon codes, upsells, subscriptions, and more.

A Centralized System

Benefit from having all of your hardware and software integrations feeding data into the Perfect Gym platform to measure client and club performance across a variety of interactions.
