Bar(s) / exact passage:

Use the actual edition or version on your copy. If there are no bar numbers, describe the exact starting and ending words or location. Bring the material itself.

2 · DESCRIBE ONE CURRENT TASK

Fictional completed card · River Steps. **Current instruction:** Hold the final half note. **Demonstrated starting point:** I can begin at bar 5 at quarter = 60 and play through bar 8. **My question:** "How can I keep counting while I hold the last note?" **Instrument / materials:** Piano; study page and pencil. **Sharing:** Family approved sharing this card with the incoming teacher.

My current instruction (one task):

What I demonstrated: start at ____, play through ____, tempo ____ (if used).

My question, in my own words:

3 · AGREE WHAT TO SHARE AND BRING

☐ We reviewed this card together. Family permission to share with the incoming teacher: **yes / not yet** (circle one). If not yet, keep the card private until permission is agreed.

Discuss exclusions privately. Do not write excluded information on the card you share.

Information approved for this card:

Instrument / practical setup needs:

Books, pages and materials to bring:

☐ I packed the agreed materials. ☐ If sharing is approved, I will show the card and ask my question.

Keep this with your family and teachers. Leave out diagnoses and personal contact details. The new teacher confirms the next assignment after hearing and talking with you.

Try it Which locator gives the title, edition, page and exact bars? Circle A or B.

A. The blue book

B. River Steps · Fictional teacher study, version 1 · page 2 · bars 5-8

Mini-key: B. It names the title, edition, page and exact bars.

Check your card: Is each field complete or marked "not used"? Does it match the material and what you demonstrated? Can you explain the one task and question? Is sharing approved? Ask together about anything uncertain.
