Sight-Reading: Set 1

four tiny pieces you have never seen — read each ONCE, no stopping

CHECK YOURSELF
listen only **after** your first read-through

Sight-reading is a game with three rules. Before playing each piece: **1)** check the time signature and find your first note's key; **2)** scan for the trickiest measure and finger it in the air; **3)** count one silent measure — then play straight through, **slowly, without stopping**, even over mistakes. The beat is sacred; wrong notes are forgiven instantly.

PIECE 1 — STEPS ONLY

PIECE 2 — A SKIP APPEARS

PIECE 3 — EIGHTH NOTES JOIN

PIECE 4 — WATCH THE REST!

Try it One read-through each, once a day — never twice in a row (a second pass is practicing, not sight-reading!). Rate each: clean / survived / train wreck. Tomorrow the train wrecks will be survivors. Daily tiny reading beats weekly heroics — two minutes a day builds the skill every teacher wishes for you.
