Trace the road map

Repeat signs, endings, D.C., D.S. and the coda tell you which bar to play next (Handouts 48 and 70). Follow each tune with your finger and write the **bar numbers** in the order you play them, **one box per bar**.

repeat signs twice · **1 2** 2nd time, skip 1 · **D.C.** to the start · **D.S.** to 𝄋 · **Fine** stop · **To Coda** jump to ⊕

1 · REPEATS AND ENDINGS

1 Two repeats

2 First and second endings

2 · D.C. AND D.S.

3 D.C. al Fine

4 D.S. al Fine

5 D.C. al Coda

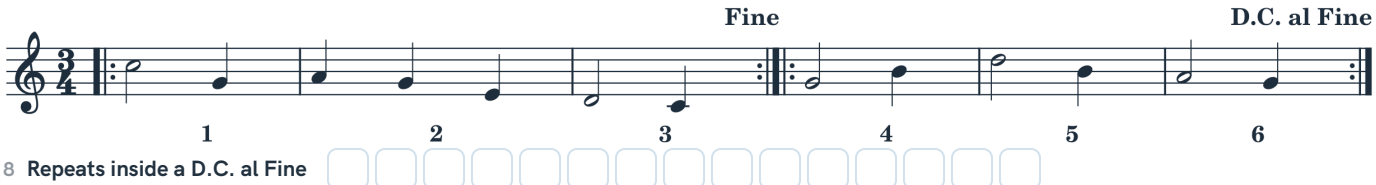

6 D.S. al Coda

3 · THE WHOLE TRIP

7 Endings inside a D.S. al Coda

8 Repeats inside a D.C. al Fine

Hint Put a finger on bar 1 and move one bar at a time. At every sign ask: **back, skip or stop?** A repeat sign sends you back once, to the facing repeat sign or to the start. **Fine** and **To Coda** only count after a D.C. or D.S. After a D.C. or D.S., play straight through: **no repeats**, and take the **last ending**. Finished? Scan the code: each tune plays in the right order.
