How to apply

- 1** Download the latest version of SEMCO's Commercial and Industrial (C&I) Program rebate application, write "**Michigan Saves**" at the top of the form, and submit it to ciapplications@clearesult.com as your reservation application.
- 2** Find an authorized **Michigan Saves** contractor to help you apply for Michigan Saves financing. To find a list of authorized contractors, visit MichiganSaves.org.
- 3** A preliminary reservation letter will be issued by SEMCO's C&I Program detailing the incentives that are expected to be awarded to the customer. This letter must be attached to your **Michigan Saves** financing application; the actual interest rate will be determined by the value of awarded incentives. (The incentives will not be paid to the customer but will be assigned to **Michigan Saves** to buy down the interest rate.)
- 4** Once **Michigan Saves** approves financing, a confirmation email will be sent to the customer, contractor, and SEMCO. Once SEMCO receives your Michigan Saves financing confirmation, an updated reservation letter will then be distributed. Please do not begin your project until you have received a reservation letter. You then have 90 days—or until November 30, 2026, whichever is first—to complete the project.
- 5** A final application must be submitted to SEMCO within 60 days of project completion—or by November 30, 2026, whichever is first.
