

FOCUS ON THE ESSENTIALS

WE WILL HELP YOU WITH VISITOR REGISTRATION

ContactMate® -Services

Do you want to speed up your registration process for business cards or visitor details? Will you have a visitor attracting raffle? Do you want to create an electronic feedback questionnaire? If yes, please select an application from the ContactMate product family to collect your trade show visitor details. Just register your visitor electronically at the touch of a button. Swiftly access the survey questions you created earlier by another push of a button. Choose your customer's answers using the large pushbuttons. This frees you up to concentrate on the customer instead of pencilwork. Following the strict EU Data Protection rules, we produce a registry of the event to help you manage your aftermarket effectively and quickly.

ContactMate® Basic enables quick registration of visitors. You will get a listing of your visitors with given contact information after the event.
