

GEEZY[®]

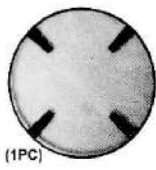

Plant Stand

ASSEMBLY INSTRUCTIONS

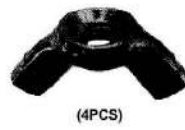

Parts list

Folding Metal Stand

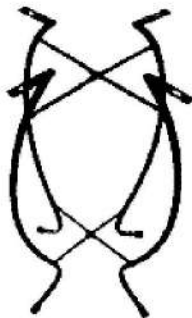

Glass Table with Metal Ring

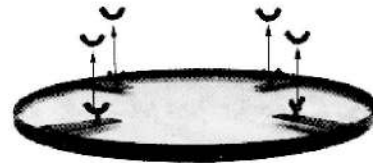

Wing Nuts

Assembly

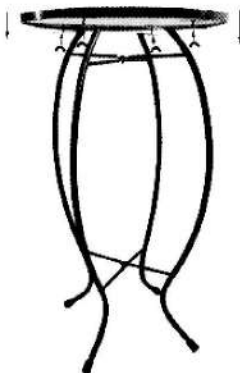

1 Unfold the metal stand as shown below.

2 Remove the screws on the underside of the table.

3 Line up the attached screws on the underside of the table top with the tabs on the top of the stand and drop the table into the holes on the stand. Attach the wing nuts to hold the top of the table securely to the stand. Do not over tighten.

4 The table is now ready for use.
