

DO SOMETHING AMAZING IN KENYA WITH KIDDERMINSTER HARRIERS

ABOUT US

African Adventures is a social enterprise which specialises in educational trips and is dedicated to improving lives in the UK and Africa.

We are partnered with community educational projects in developing areas of Ghana, Kenya and Zanzibar. We provide humanitarian and financial support to assist with the projects' development, which is furthered through our charity, African Adventures Foundation.

We also provide the same service as a mainstream tour operator and pride ourselves on our personal, meticulous approach to organising your trip. Our friendly team are always on hand with support and advice to prepare you for your trip.

OUR TRIPS ARE CHALLENGING, EYE-OPENING AND EXTREMELY WORTHWHILE.

VOLUNTEER ROLES

You can choose from two volunteer roles whilst volunteering on the trip:

TEACHING & MULTI-SPORTS

Interaction with the children is at the heart of this role. Activities include: assisting teachers with lessons, reading stories, preparing meals, playing games and sports. The enthusiasm from children, who are so eager to learn, makes this role so rewarding.

BUILDING & RENOVATION

With overcrowding an issue at the projects, improved facilities are needed to accommodate growing numbers and create more learning spaces for children. Clear progress makes this challenging and rewarding role so worthwhile.
