THE GAFFER

MCCANN'S

MESSAGE

Welcome to this afternoon's Isthmian Premier League game against Ramsgate, and I'd like to issue a very warm welcome to Lee Martin and his team.

I've had to go to press ahead of Tuesday's Herts Senior Cup Semi-Final and, while I appreciate that the league has to be our priority, we had a chance to make it to a cup final in this one, and I made sure to afford this game the respect it deserved. These cups are an important part of the footballing calendar at this level and I'm hoping that I'm speaking to you now with a final to look forward to.

We come into this afternoon's fixture off the back of another decent away point over at Chichester last weekend but, in truth, it could and perhaps should have been all three and we'll be looking to get back to winning ways here today. Spirits were of course high going into the Chichester game after a really well earned three points down here against a Dulwich side who were on a decent run themselves. Dulwich are never an easy side to break down, but we stuck with our plan, got our noses in front, and I thought we managed the game very well from there on in. And I can't move on from the Dulwich

game without thanking the over-2,200 of you that turned up to support us at that one. I was so pleased that the lads stepped up and gave you the result – and performance – you deserved to take home with you.

That result, which made it four wins and two draws from six games, maintained the momentum that we'd worked hard to build up, ahead of our trip to Chichester last Saturday. And, in the end, we've extended our unbeaten run to seven games down there but we've had to settle for a point from a game that we'd hoped to take all three points from, to maintain our contact with the play-off pack.

It was one of those that could have gone either way. I can point to lots of positives, but at the same time I appreciate that we didn't have it all our own way. We did have a lot of defending to do, and they did use their long throw well. Overall, I thought we defended well in a game that may well have got away from us a few weeks ago, but it still was a poor goal to concede. We've just switched off that one time and presented them with a gift. We can't afford to be giving goals away like that and it's given us a mountain to climb.

More generally, I'd say that we weren't as tight and cohesive in the middle and up front as we perhaps could have been but, having got back level with excellent goal, real credit to the lads for giving it a proper go to the end. And, of course, we've had a couple ruled out that might have made the difference – the first one was tight, but I'm really disappointed with the decision for the second one. There's no infringement from any of our players in there and it's a decision that may well have cost us two crucial points. It is what it is, and we have to move on.

Our opponents today come into this afternoon's fixture off the back of a bit of a mixed bag of results themselves, having gone down at home to Burgess Hill last weekend, but having won six (and drawn one) out of seven across January and February, so we know that they have what it takes to inflict damage if we don't approach today's game in the right way. But we'll have done our homework and I'm confident we can deliver.

After today, we travel to Cray Valley next weekend before welcoming runaway leaders Folkstone to the park on Easter Saturday. If we needed a test of how far we have come, then we probably don't have to look any further than that one. We follow that up with an immediate Easter Monday trip to Wingate and Finchley, before our final two home games against Aveley and Canvey on 11th and 18th April respectively. We look forward to welcoming you back for those.

CHICHESTER CITY 1-1 ST ALBANS CITY

28/2/26 - Pitching In Isthmian League - Premier Division Att: 465

Following our triumph over Dulwich Hamlet last weekend, the Saints travelled down to the south coast to take on Chichester City. The hosts had experienced a mixed run of form coming into this tie, taking 7 points from the 15 up for grabs in their last 5 games, and sat just 4 points behind us in 12th place. In contrast, the Saints arrived with an impressive 6-game unbeaten run, with 4 of these matches ending in victory for City. With both sides hoping to mount a late push for the playoff spots, getting 3 points was the common goal.

3 o'clock rolled around, and the referee got the proceedings underway at Oaklands Park. In the early stages of the match, the two sides took measured approaches and focused on settling into their respective shapes and bolstering their defensive set-ups. Gary McCann's side looked the more organised team from the whistle, and posed a threat to the hosts by conducting an effective press, boxing Chichester into their own half. The Lilywhites were struggling to advance up the field, and it looked to be a matter of time before a mistake at the back cost them dearly. However, after 15 minutes of pressure, the hosts grabbed the opener, entirely against the run of play. A strong challenge in midfield allowed Chichester to scramble the ball out of their half, and resulted in a throw-in from an advanced position on the left-hand side. And in an unfortunately familiar fashion, the long throw-in struck once again against the Saints. After floating in towards the back post, the ball dropped perfectly for Harry Bridle, who

prodded the ball home. Despite the pressure they had built up, the Saints somehow found themselves a goal down after just a singular lapse in concentration.

Much to our frustration, play did not resume as it had before the goal, and their good fortune had inspired confidence within the Chichester players, who now felt comfortable playing through the previously effective City press. Following this shift in momentum, the Saints retreated to a more conservative shape, wary not to let Chichester's newfound confidence damage the scoreline further. As a result, the next period of the game was more evenly contested but produced few real opportunities for either side. The only notable chances came from a Ryley Scott effort from outside the area that missed the target, and a low-driven Chichester free-kick that was covered comfortably by Sam Donkin between the sticks.

But in the 36th minute, the Saints would get a breakthrough after a lightning-fast counterattack. Following their earlier set-piece success, the hosts had packed out the area for a corner from the left. However, the dead-ball opportunity was poorly executed, and flew all the way through the box and out of the other side, finding Kieran Petrie chasing it into the corner. A well-weighted pass found Jasper Mather on the halfway line. He took the ball on the turn and quickly got it out of his feet, threading a gorgeous pass through a crowd of players to Sam Smart, who was storming

towards the box, in behind the back line. The winger only needed one vital touch to laser the ball into the bottom corner, low to the keeper's right. The Saints had earned a deserved goal and headed into the tunnel at half-time with it all to play for in the second half.

The hosts came out swinging after the interval and carved out a chance just a minute after the referee's whistle. After a foul near the halfway line, the Lilywhites opted to launch the ball into the area from a deep position. A fantastic delivery, partnered with a perfectly timed run, resulted in an entirely uncontested volley for Issac Bello just inside the six-yard box. However, to everyone's dismay, the forward's effort flew over the bar, and a golden opportunity was missed. Over the next 10 minutes, the game remained quite open, and both sides showed an intent to double their goal tallies, but neither side could create a chance as good as Chichester's in the opening minutes.

The aggressive approaches would not last, and after the early stages, both sides focused on protecting the point they already had. The match returned to the state it had been in before the equaliser, with the two teams looking for mistakes to exploit without taking too many risks in pursuit of all 3 points. In the 74th minute, the Saints' best chance of the half so far presented itself in the form of a very hittable free kick on the edge of the area. As the foul was conceded towards the right of the field, City preferred the left foot of Lewis Page for this shooting chance. The full-back managed to judge the lofting perfectly, and the ball drifted towards the top right corner. But despite being on target, the effort did not have enough power to really trouble the keeper, who claimed the ball up high to his left.

In the final 15 minutes of the match, the respective managers turned to their benches for an impact, shuffling their teams around,

hoping to break the deadlock late in the tie. In a final roll of the dice, the Saints committed forward in the final stages of the game, and although they had the ball in the net twice within the last 5 minutes, big calls from the match officials kept the scores level. Alex Wall was picked out by Dyer, having made a darting move in behind the line. But the linesman raised his flag for offside, chalking off a sweet, volleyed finish by the substitute. Just minutes later, a Saints corner was swung into the area on top of the keeper in a crowd of players. He got a glove to the ball, pushing it out, but only found Mather in the six-yard box, who poked it home. However, in a controversial moment, the Referee sounded his whistle and awarded the hosts a crucial free kick in the area, after judging the contact on the keeper to be too much. In an unfortunate turn of events, we had somehow walked away from our late surge without any reward. Following two huge scares, Chichester dug in for the additional time and saw out the draw, splitting the points evenly between the two sides.

RAMSGATE

Ramsgate is one of the largest non-League clubs in Kent. Last season the club fielded 78 senior and youth teams, and for the 2023/24 season this again includes three women's teams and ten girls' teams, alongside two senior men's sides: the First Team and the Under-23s. The club continues to grow and improve its facilities. In 2020 it installed the first fixed Panna cages at an English football stadium, and the pitch at Southwood was replaced with a new all-weather surface that officially opened with a visit from Tottenham Hotspur's Under-23 side in July 2021.

The current club was restarted in 1945 after the ban on football in east Kent during World War II was lifted. Originally called Ramsgate Athletic, the club has played continuously at Southwood Stadium ever since.

Senior football has existed in Ramsgate since the late 1800s. Although newspaper coverage of football on the Channel side of the Isle of Thanet was limited, there are reports of Ramsgate Athletic playing at Southwood alongside the principal side, Ramsgate Town, which began around 1886. Team photographs of Ramsgate Town exist from 1898. Matches were played on several grounds around the town, including the site that is now the club's long-standing home at Southwood.

Football in east Kent stopped during the First World War, but in 1919 Southwood was provided for Ramsgate Town by Henry Weigall JP and Lady Rose Weigall. By then the club was

known simply as Ramsgate. In their first season they finished third in the Kent FA League and reached the Kent Senior Cup final, losing 1–0 to Northfleet at Maidstone in front of a crowd of 10,000. Ramsgate Town folded in 1924 and Ramsgate Grenville moved to Southwood. Apart from the brief rise of Dumpton-based Ramsgate (Press Wanderers) in the 1930s, Grenville became the town's main side until football was again halted during the Second World War.

Following the war, the reformed club enjoyed many successes, particularly in the late 1940s and throughout the 1950s, as well as later strong periods in the late 1960s, the 1980s, and the mid-2000s. Many supporters consider the club's 'golden period' to be between 1954 and 1957, when former Scottish international Jimmy Blair served as player-manager. During that time the Rams won back-to-back league titles in 1955/56 and 1956/57. The 1955/56 season also saw a new attendance record of 5,083 for the derby against Margate. In 1955 the club reached the First Round Proper of the FA Cup for the first time, narrowly losing 5–3 away to Watford.

When the Kent FA League folded in 1959 the club joined the Southern League and also competed in the Thames & Medway Combination. Around this time a new stand was built on the southern side of the pitch. In 1971/72 the club was promoted within the Southern League and simplified its name to Ramsgate. However, financial and off-field

difficulties led to relegation to Division One, and in 1976 the club resigned from the league, placing the first team in the Kent League in place of the reserves.

Success returned in 1998/99 when the club won the Kent Premier League title and the Kent FA Senior Trophy. Although promotion back to the Southern League was possible, the club decided the time was not right. Further silverware followed in 2000/01 with victory in the Kent Premier Division League Cup.

The 2004/05 season proved particularly memorable. Pre-season included victories against four higher-league opponents, including rivals Margate. The Rams also progressed well in the FA Cup, defeating Kingstonian before losing to Dulwich Hamlet, and reached the third round of the FA Vase. Domestically the club dominated the Kent League, winning both the League Championship and the Kent League Premier Cup. After extensive ground improvements, Ramsgate entered the Ryman League Division One South in 2005.

The new era began successfully. In the summer of 2005 the club won both the Kent League Challenge Shield and the Kent Messenger Challenge Cup. That season Ramsgate again reached the First Round Proper of the FA Cup—becoming the only Step 4 club in the country to do so—but were defeated by Nuneaton. The Rams also won the league at the first attempt, securing back-to-back promotions to the Ryman Premier Division for the 2006/07 season.

During their first campaign in the Premier Division the Rams spent much of the season in the play-off places before eventually finishing ninth. The following season saw further success as the club won the Isthmian League Cup and reached the play-offs for promotion to the Conference South. However, form declined in 2008/09 and the club was

relegated back to Division One South. Despite the loss of several key players, a younger local squad avoided another relegation in 2009/10.

In the years that followed Ramsgate often finished around the play-off places, though instability in management affected progress. Former manager Jim Ward returned for a third spell in 2013/14 and guided the club to a mid-table finish. Lloyd Blackman later took charge during the 2016/17 season, leading the team to a mid-table finish after a ten-game unbeaten run.

Further managerial changes followed in 2018/19, with former Rams captain Nick Davis taking charge before Jason Lillis and then Matt Longhurst managed the club. In April 2022 former Gillingham coach Steve Lovell took over for the final four games of the season and remained in charge for the 2022/23 campaign. Ramsgate spent much of that season at the top of the table but a dip in form after Christmas led to Lovell's departure in March. The Rams finished as runners-up but lost in the play-offs, resulting in a 15th season at Step 4 for 2023/24.

The 2023/24 season proved historic both on and off the pitch. Ramsgate reached the Second Round Proper of the FA Cup for the first time in their history, with memorable wins over AFC Totton (1–0 away) and Woking (2–1 at home). Local hero TJ Jadama also won Goal of the Round during the run.

Despite scoring over 100 league goals and 53 in all competitions from striker Joe Taylor, Ramsgate narrowly missed promotion after losing to Chichester City in the play-offs. However, with average attendances now exceeding 1,000 and the club increasingly serving as a community hub supporting underprivileged children in the area, the future of Ramsgate Football Club looks brighter than ever.

OAKLAND WOLVES U9

Led by Head Coach, the man, the myth, the legend Ademola Bankole and assisted by Jasper Button, the Wolves' right-hand man and chief sideline strategist, the Oakland Wolves U9s play their football in the Herts Youth

League. They play the game the right way: sharp passing, brave attacking and plenty of team spirit.

In goal is Daniel "Safe Hands" Clark, a David Raya admirer who keeps the Wolves goal locked down. At the back stands George "The Tower" Bromwich, a classic Tony Adams-style centre-half, alongside Ben Stidston, who channels Gabriel by winning the ball and confidently driving out from defence.

Out wide, Quinn "The Wing Wizard" Murphy whips in crosses like Trent Alexander-Arnold, supplying goals and assists for fun, while Xander De Casa on the other wing, glides past defenders with Messi-like twists and turns.

In midfield, George Moore is the engine room, patrolling the centre like his hero Declan Rice, breaking up play and driving the team forward, while Ryan Irani, the youngest in the squad and the only left-footer, pulls the strings in attack with a wand of a left foot.

Leading the goal charts is Alfie Rowsell, the Wolves' top scorer with a rocket of a right foot and the ability to play anywhere on the pitch, proper Top Boy.

A talented group with big personalities and even bigger dreams, the Oaklands Wolves U9's are certainly a team to watch.

THE COMMUNITY

ST ALBANS CITY YOUTH U10

Today we welcome one of the standout 7-a-side teams of the season to the Clarence Park pitch. They arrive on the back of an extraordinary unbeaten run stretching from February 2025 to February 2026, building on last summer's victories here at the Clarence Park Summer Sixes and the St Albans City Youth Tournament. Promoted to Division 1 at Christmas, they've held their nerve and kept that unbeaten record intact against all but 2 of the

league's top sides.

They've also hit a major club milestone in their 4th competitive year—scoring their 500th league goal—delivered through sharp passing, relentless teamwork and resilience. Their defensive and goalkeeping performance is just as remarkable, with an average of conceding only 42% as many goals they score.

They are excited to cheer on the Saints to a win today and send thanks to their sponsors, Greater London Demolition.

Please welcome the squad of St Albans City Youth South U10s:

Aubree, Henry, James, George, Alex, Hugo, Finlay, Marco, Ryan and Ben.

ST ALBANS CITY YOUTH U8 NORTH

St Albans City Youth U8 North were formed out of the popular SACY Saturday Soccer School in the summer of 2024 and entered the Herts Youth League as an U7 side for the 2024/25 season. A talented and technically gifted group of players, they had a fantastically successful debut

season in the top division of HYL, winning 11 and drawing 2 of their 14 league games and scoring 108 goals in the process. Their second season has been no less successful, with 15 wins and 3 losses from the 18 league games played so far.

The squad for the 25/26 season consists of Sammy Adamson, Elijah Allen, Corey Bristow, George Carrasco, Benjamin Edwards, Oliver Edwards, Aaden Green, Leo Rosenthal and Toby Simmonds; they are coached by Matt Bristow and Mike Edwards and sponsored by Supreme Wealth Management.

ST ALBANS CITY YOUTH U9 TIGERS

The St Albans City Youth Under9 Tigers are proudly in their second season together in the Herts Youth League – Cedar Division.

Coached by Darryl and Joel, the Tigers are a talented, hardworking group who show fantastic enthusiasm, commitment, and a real desire to keep improving. It has been a pleasure watching them develop as players and as a team, while enjoying competitive and exciting fixtures throughout the season.

Meet the Tigers: Lennon Cox, Leon Polisano, Felix Stannard Moore, Leo Train, Tristan Allen, Lucas Moylett-Rose, Samuel Wickett, Elliot Wilkinson, Christian Lodge, Noah Joulia, Jude Moll.

With Thanks: We are incredibly grateful to our sponsor, Speedy Hire, for their generous and ongoing support.

Joel and I would like to say a huge thank you to the players' parents and supporters, whose encouragement and positivity help create a fun, supportive environment for the team.

Finally, our thanks to Andy, Anthony, Jo, Jess, and everyone at SACY, and to the Herts Youth League, for their continued support of grassroots football and for providing these young players with the opportunity to enjoy competitive matches.

We are delighted to take part as Guard of Honour today. COYS!!

ST ALBANS RANGERS U11 VICTORIA

St Albans Rangers U11 Victoria is a team built on strong friendships. Most of the squad began playing together at Victoria Playing Fields FC, meaning many of the boys have been teammates for over seven years and have grown into a close-knit and supportive group. This season the squad has been strengthened with three new additions who have settled in quickly, including a much-needed goalkeeper.

The team competes in the Herts Youth League and enjoys the challenge of regular league football. After starting in Division Three, the boys progressed to the top division last season and relish testing themselves against strong opposition each week. They are also currently competing in the cup.

On the sidelines, our coaches spend almost as much time tying shoelaces as they do planning tactics, and we're hugely grateful for the support of our sponsors SA Law and Alukrom, as well as the parents and players who make the team such a pleasure to run.

As the season end draws near it is time to start thinking about the end of season awards, where you will be able to vote for your player of the season, goal of the season and various other categories. More details will be published in due course.

FREE DRAW

Following on from our Xmas draw, we will again be holding a free draw for all Supporters Trust members this Easter. The draw will take place on Saturday 5th April with a chance to win 2 match day hospitality tickets to a game of your choice.

AWAY TRAVEL

We will not be running transport to our remaining Saturday matches, all of which are reachable by public transport. For next week's game at Cray Valley Paper Mills here is a suggested route:

* Depart St Albans City station 1227 to London Bridge arrive 1304

* Depart at 1320 to Eltham arrive 1341, the ground is around a 20-minute walk away or 160 bus which stops at the ground.

"We are committed to improving your match day experience and would appreciate your help by completing a Travel Survey which consists of six short questions dealing with how you currently travel to Clarence Park and how you may travel to the proposed new stadium at Noke Lane, Chiswell Green. The questionnaire can be accessed via the link or QR code below, many thanks for your support."

Tom Jennings

SAINTS SNAPSHOT

In this week's edition of Saints Snapshot, Tom Jennings shares what drives him on the pitch, and what keeps him grounded off it.

Do you have any pre-match superstitions or rituals? I always have bananas on toast with loads of honey before a game. Other than that, no pre match superstitions or rituals.

What's your pre-match routine? I foam roll and stretch before every game to make sure that I'm in the best condition pre-match. Then it's just about trying to relax as much as possible by talking to my teammates as I get to the ground before we head out for warmups.

How do you switch off after a game? Go home and have a warm bath to relax after the match, then order a takeaway and watch TV with my family.

What's the most used app on your phone? Tiktok.

What's your dream 5 a side team? Tom Jennings, Ronaldinho, Eden Hazard, Alexis Sanchez, Gabriel.

Who was your favourite footballer growing up? Alexis Sanchez.

What do you do outside of football? Go to the gym a lot, spend as much time as possible with family and friends, watch lots of football and play PlayStation.

Messi or Ronaldo? 100% Messi!

VAR, keep it or bin it? Keep it.

What's something that stepping into the first team has helped you understand about the game? What's the biggest step up from academy football to senior football? Your concentration in training and matches has to always be 100%. Everything is so much more fast paced so you always have to be switched on.

What's your go to pre-match song? Slow down by R2Bees (feat. Wizkid).
