Sources: USAC Open Data — E-Rate Recipient Details and Commitments (avi8-svp9), funded FRNs only; FCC Form 471 FRN Status (qdmp-ygft); USAC legacy commitments for FY1998–2015 (BEN level). Billed-entity figures are total authorized disbursements (entity-wide, exact). Service-provider top 10 ranked by FY2024 disbursements. FY2026 omitted (funding year in progress). Note: the last year or two in any disbursement series always looks artificially low (FY2025 invoices are still being paid), which is why the history dips at the end — that's the real state of USAC's data, not an error.
