

In 2019 when the year ended God told us to “Rise up and Build” and then came, fulfilling Scripture, the greatest shaking which God had promised when He said that everything that can be shaken will be shaken because you are receiving a Kingdom which cannot be shaken. That is why in the 1<sup>st</sup> part I was asking you, ‘Do you believe?’ The purpose of the shaking was to show to us whether we are in the Kingdom or not and what in our life does not belong to the Kingdom. The world had never seen a shaking like this in the last 75 or more years. In 2020 we have more suicides than ever, more depression than ever, more joblessness than ever, more divorces than ever, more young people committing suicides than ever and demonic has been released like never as God said both the heavens and the earth is being shaken. And what did God tell us, “Rise up and Build.” Build your lives, be strong, strengthen yourselves and I hope you rose and built by faith.

Now go to *Isaiah 54:2-3* - If you have risen and built, you have 2021

### **Isaiah 54:2-3**

***<sup>2</sup>Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes;<sup>3</sup>For thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles, and make the desolate cities to be inhabited.***

It just falls into place. If 2020’s promise we believed it, then God says, “If you rose and you built, now enlarge.” This is spiritual. Enlarge the place of your tent, Enlarge your hearts, enlarge your faith and we have to be ready for it because *John 3:34* says *He gives His Spirit without measure*. He is not a miser when He gives His Spirit. He gives His Spirit without measure and if you want to receive His Spirit without measure He says enlarge your tent, increase your capacity because Daniel prophecies when the end days come there will rise a generation who know their Lord and will do great exploits. And God says – “In the midst of all this junk that is happening you are a different people, you don’t contract, you enlarge. “You and I don’t contract because the One that is in us is greater than he that is in the world. In ***2 Kings 4:5-6***, the widow that came to Elisha

### **2 Kings 4:5-6**

***<sup>5</sup>So she went from him, and shut the door upon her and upon her sons, who brought the vessels to her; and she poured out.<sup>6</sup>And it came to pass, when the vessels were full, that she said unto her son, Bring me yet a vessel. And he said unto her, there is not a vessel more. And the oil stayed***

Do you know why the oil ceased? The oil ceased because there were no more vessels left. There is absolutely no shortage of power in Heaven, only vessels to receive it on earth. And God stands there and says, “Enlarge. Enlarge. Enlarge.” Do you believe? Cause we believed in the 2020 promise to rise up from our spiritual slumber to rise up from hiding our faces in the sands of this world, your career, your pursuits whatever we rose. Told you to rise up and start building the Kingdom of God within you. We did not know what is coming in 2021. It was somewhere in the month of December that I was walking when the Lord told me, “This is the promise,” and I went back and looked at it and said, “How can this be Lord?” He said, “That is My promise for GTC worldwide. Enlarge your faith, Enlarge.”

### **Mark 9:23** God says

***<sup>23</sup>Jesus said unto him, If thou canst believe, all things are possible to him that believeth.***

Lord in 2021 I want to stretch my faith like never before. In God’s Kingdom it does not work like this in 2021 will be better than 2020 it does not work like that. 2021 will be better than all the previous years put

together. That is how it works. You start as a believer which ever year it was and you come to 2020 and when 2021 comes and you move in faith, He says, "If you had 10 years as a believer the 11<sup>th</sup> year will be more than all the 10 years put together. "You have to believe. Lord I want to enlarge my heart that I will love You with all my heart, with all my strength, with all my power I want to enlarge. I am not satisfied loving You the way I did all these years, I really want to enlarge my tent my life and I know I can do it if I let You do it through me. Love my neighbour, enlarge my hand Lord.

We believed a lie of radical individualism - me, myself and I. That is the despair we see in this world. Everybody has everything and they are miserable. Everybody has everything they need for life but are we happy? No, we are not happy.

Lord I want to take limits off both love and faith. It is time to enlarge your love and faith. 2021 is the year to enlarge by faith. God says, "Enlarge the place of your tents, your life."

The #2 second thing He says, "Stretch!" Go to *Isaiah 54:2*,

### **Isaiah 54:2**

***<sup>2</sup>Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes;***

Stretch out the curtains of your dwellings. Can you stretch out, can you see?

### **Genesis 13:14-16** God says

***<sup>14</sup>And the LORD said unto Abram, after that Lot was separated from him, Lift up now thine eyes, and look from the place where thou art northward, and southward, and eastward, and westward:***

As soon as we have died to flesh, Lot represents flesh, God will say, "Now stretch." You know why we are not able to see? It is because flesh is alive. We have not separated our flesh, so the spirit is not able to see. Once flesh was separated God says

***<sup>15</sup>For all the land which thou seest, to thee will I give it, and to thy seed for ever.***

Now we are not speaking about physical possessions in the New Covenant but spiritual. Has your vision changed, can you handle more?

In **Genesis 15:1-3** when God comes to Abraham

***<sup>1</sup>After these things the word of the LORD came unto Abram in a vision, saying, Fear not, Abram: I am thy shield, and thy exceeding great reward.<sup>2</sup>And Abram said, LORD God, what wilt thou give me, seeing I go childless, and the steward of my house is this Eliezer of Damascus?<sup>3</sup>And Abram said, Behold, to me thou hast given no seed: and, lo, one born in my house is mine heir.*** Do you know what God says in verse 5, ***<sup>5</sup>And he brought him forth abroad, and said, Look now toward heaven, and tell the stars, if thou be able to number them: and he said unto him, So shall thy seed be.***

God told him to look towards heaven. Can you stretch. You are still asking for one son; I am thinking of nations for you. I don't have a child, can you stretch? How far can you stretch? Abraham how far can you stretch the curtains of your tent? God said, "Look up." How can this be possible, how can I stretch my tents? God says, "Look up." Don't limit God in 2021. Be ready to enlarge your heart and your life and let God stretch it. Physically we can only stretch this much but spiritually He says, "If you let Me do, do you know how much I can stretch you and increase your influence?" Don't shorten God's hand through your unbelief.

### **2 Kings 13:14-19**

***<sup>14</sup>Now Elisha was fallen sick of his sickness whereof he died. And Joash the king of Israel came down unto him, and wept over his face, and said, O my father, my father, the chariot of Israel, and the horsemen thereof.<sup>15</sup>And Elisha said unto him, Take bow and arrows. And he took unto him bow and arrows.<sup>16</sup>And he said to the king of Israel, Put thine hand upon the bow. And he put his hand upon it: and Elisha put his hands upon the king's hands.<sup>17</sup>And he said, Open the window eastward. And he opened it. Then Elisha***

***said, Shoot. And he shot. And he said, The arrow of the LORD's deliverance, and the arrow of deliverance from Syria: for thou shalt smite the Syrians in Aphek, till thou have consumed them.***

***<sup>18</sup> And he said, Take the arrows. And he took them. And he said unto the king of Israel, Smite upon the ground. And he smote thrice, and stayed.<sup>19</sup> And the man of God was wroth with him, and said, Thou shouldest have smitten five or six times; then hadst thou smitten Syria till thou hadst consumed it: whereas now thou shalt smite Syria but thrice.***

You see God says, "Stretch." Many of us struggle with so many things and give up after praying two or three times. God said, "I would have destroyed that in your life completely, but you gave up too fast." You never quit on the things of the flesh but you quit so fast in the things of the spirit. God says, "This is the year you can stretch, you can enlarge."

Joash never caught Elisha's vision. Elisha had caught Elijah's vision. This is the problem Joshua had caught Moses' vision but nobody caught Joshua's vision. So after Joshua the nation went down. Elisha caught Elijah's vision and he said, "What do you want?" "I want a double portion, I want to extend even further than you." Elijah replied, "It is not in my hand but in God's hand." God had no issues, He said, "Stretch" and Elisha stretched. Every true prophet wants the next generation to do better and he says, take God's arrow of deliverance and shoot," and then he said, "Strike" and then he is angry, "Why did you stop with three?" Why did you stretch so little. You could have stretched as much as you wanted because God loves giving His children victory. Can you stretch? Jesus was upset with His disciples.

#### **Mark 16:14**

***<sup>14</sup> Afterward he appeared unto the eleven as they sat at meat, and upbraided them with their unbelief and hardness of heart, because they believed not them which had seen him after he was risen.***

So don't get upset if I rebuke you for your unbelief. I am just following the Master. These are disciples who were walking with the Master for 3.5 years. You just sat. And He rebuked them for their unbelief and look at verse 15 what He says

***<sup>15</sup> And he said unto them, Go ye into all the world, and preach the gospel to every creature.***

These guys have not gone beyond twenty kilometres. What is He telling them? He is telling them to Stretch. When Thomas stretched, he had no clue he had reached India. Do you know where these disciples reached, you have to put yourself in their shoes to understand how much they stretched. They were simple flock Galilean rural fishermen. What did God say? He did not put any limits on them. He said, "Go into the whole world." Stretch. That is how far He will take the influence of the Kingdom.

The question is that when God says something you need to believe for yourself. God I don't know how far it is but I believe. You said 'Enlarge,' Here I am. You enlarge through me. Enlarge my faith. I will do what I can do. What can I do? I have to hear. You enlarge my faith. I will give You my heart, You just love through me, the unlovable also. Enlarge my territory. Stretch me Lord. Grow. Expand. Be flexible. Lord, I want to stretch.

Do you believe? Because every time God gives a promise, the promise stands exactly opposite to what the world is saying. 2020 is a year where you could never if you looked with your physical eyes risen up and built because everything was against you, but we rose up and built. 2021 they say is going to be a worse year and God is saying that you are going to expand, you are going to stretch. God will not say things which are humanly possible, then it is not God. So, whenever God gives you a promise it is humanly impossible. That is where God begins. So look into your own situations and believe the promise and say, 'I believe Lord that You will enlarge me. I believe that You will stretch me.'

**#3 Lengthen do not spare your cords.** Don't spare your cords lengthen it. Because if you know about tents that is how it works. Lengthen your cords, strengthen your stakes. There are two things that hold a tent 1. The cords and the 2. Stakes. There are two things that will hold the believer's life 1. His Prayer life and 2. His Word life. Lengthen your prayer life. I am not talking about time alone I am talking about quality. Your prayer life has to radically change this year otherwise your tent will fall on its face. Lengthen your prayer life that is one thing that happened to the apostles after Pentecost. In *Acts 6:4* these dear apostles who could not even stay up with Jesus one hour praying without falling asleep says,

#### **Acts 6:4**

***4 But we will give ourselves continually to prayer, and to the ministry of the word.***

What changed? They stretched. They lengthened the cords of their prayer life. I am telling you that you need to change your prayer life both young and old. Because every promise is conditional. Lengthen your prayer life, go that extra mile. If I can do it you can do it. All of you are younger than me. The time is 12:00 midnight, it means that I have been on my feet for 21 hours without sleeping. For days this has been my routine. I don't want to miss anything that God is giving freely. We run after KCR's pink card and blue card and here is God giving us everything in the universe and saying, "Stretch and I will give you the Spirit without measure."

The only issue is with you, the container. The container is so shallow that once He pours two drops you are full and you say, 'I am filled with the Holy Spirit.' God says, "I have only given you two drops and you are full?" – Enlarge. Enlarge – say this year, 'God, I am not satisfied.' God says, "Come and drink as much as you want." You have to empty yourself so that He can fill. Stretch. Lengthen your prayer life. Lord I am going to lengthen my cords. ***Spare not*** any effort in these things. When rich guys have weddings for their children they call the wedding organisers and say, "This is what I want, spare not the expenses. That is my child." That is what God says, the Kingdom of God's resources are with you and for you if you want to stretch. Spare Not. Strengthen. Lengthen the cords.

**#4 Drive in the stakes deep.** All these years your were nibbling at the surface of the Word, this year go deeper. Go deeper, strike it deep. You need to be able to say like Peter after every disciple left and only eleven are left,

#### **John 6:68**

***68 Then Simon Peter answered him, Lord, to whom shall we go? thou hast the words of eternal life***

Where shall I go? It is no longer wisdom or knowledge or understanding, it is beyond that and you have realised – "This is my life."

#### **Luke 24:45**

***45 Then opened he their understanding, that they might understand the scriptures.***

You have to pray, "Lord open my mind." This is not story telling time in the last days; it is understanding the will, the purpose, the heart, the mind of God. The Bible says- *who can know the mind of God?* Then it says, 'We can.' We have the mind of Christ and the Holy Spirit will reveal the mind of Christ and through us teach the angels the mind of God. It is all there in the Bible. God says, "Will you strike the stakes deep? Lengthen and Strengthen?" Lengthen the cords, strengthen the stakes. Two things – your prayer life and your Word life. God says, "Are you willing?" I make no excuses for mothers with small children too.

Susannah Wesley had eighteen children and we got a John Wesley and a Charles Wesley. Those children knew what their mother was. And she did not even have a spare room. Her prayer room was her apron. The minute she put her apron over her face, her children stopped, they tip toed because they know mommy was spending time with God and she should not be disturbed. This is the cloud of witnesses. God says,

“Strengthen and lengthen your cords. Drive your stakes in deep into the Word of God.” Lord I want, Paul said prayed, “Lord give me the Spirit of wisdom and revelation. Open the eyes of my understanding that I may know the riches of Your inheritance in the saints.”

Pray radical prayers this year and be very serious about it. Suddenly you will realise that something changes about you. People will notice it about you, in your office, in your school, in your college, in your workplace your influence changes. Suddenly you have an influence. Do you know why? Because God is expanding in you. You are not expanding but God is increasing in you. Peter will say, “Increase in grace and the knowledge of God.”

What does it say after that?

***<sup>3</sup> For thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles, and make the desolate cities to be inhabited.***

What does it mean? The worst thing to happen is to be conquered by man. The best thing to happen to a man is to be conquered by God.

If you have doubts look at Afghanistan. How many nations went to Afghanistan and it became their graveyard? The last one is the Americans and they want to withdraw. Because when man tries to conquer man it leaves nothing but hatred, misery and bitterness.

But when God conquers a man.

*Thou shalt break forth on the right hand and on the left; and thy seed shall inherit the gentiles.* How will His seed inherit the gentiles? Two thousand years ago when Jesus came as a baby He came as Jehovah Sabaoth, the Captain of the hosts. The Gospel was the most powerful weapon ever unleashed on planet earth. It was not after the bodies of men, it was after the hearts of men.

In **Romans 1:16** Scripture says

***<sup>16</sup> For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.***

It conquers the enemies of God and makes them sons. It makes the weak strong. It makes the blind see. It makes the lame walk and sets captives free. In human war it makes the seeing blind, it makes the walking lame and it takes captives. In the Gospel war, it makes the blind see, it makes the lame walk and it makes captives free. That is the difference. It is a war we are fighting. That is how we inhabit the cities of the gentiles because the gentiles become the children of God. In *Luke 4:18* this is what Jesus said about His Kingdom; army's agenda

**Luke 4:18**

***<sup>18</sup> The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised,<sup>19</sup> To preach the acceptable year of the Lord.***

This is the Kingdom army. Do you believe? Because that is the power of the Gospel. The government is upon His shoulders and the increase of His government and peace there is no end. This army that will inhabit the gentiles *Acts 1:8* says is endued with power from above and after that you shall be My witnesses

**Acts 1:8**

***<sup>8</sup> But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth.***

This army is dressed in the armour of God with the weapons of praise, Word and prayer. This is the most powerful army that the world has ever seen and Satan has no answer to this army.

When God says that you will expand to the left and to the right and take over cities, He means it. This army does not fight the way the other armies fight. First they fight from peace unto peace.

### **Romans 10:15**

***<sup>15</sup> And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!***

This is an army that fights for peace from peace. The original blue helmets. The blue helmets are the UN sent to maintain peace. We fight from peace because we have peace with God and they fight for peace so that other men can have peace with God. That is the war we fight.

### **Isaiah 54:1**— Our promise is verse 2 & 3

***<sup>1</sup> Sing, O barren, thou that didst not bear; break forth into singing, and cry aloud, thou that didst not travail with child: for more are the children of the desolate than the children of the married wife, saith the LORD.***

God says, “Are you fruitless, are you unproductive?” All these years Lord I could do nothing for You. God says, “It is going to change.” Are you barren? He says, “Laugh! Rejoice!” Has anything happened? No, nothing has happened. It is an act of faith. Has she borne yet? No. What is God saying? Laugh. Laugh first. Why? When I have said anything, it is going to happen. So by faith, laugh. Second, do you have children? No. Enlarge your tent, make space, for children are coming. Stretch your curtains. Lengthen your cords. Drive in the stakes. But before that you laugh. Because when I have spoken, if you believe, it will come to pass. Start Praising. Start thanking God. Start believing God.

God says, “Rejoice and sing.” Who? Barren woman. You are barren, you sing. I will bear and then I will sing. No. You sing now. That is why Isaac is called laughter. She is a barren woman who bore at 90. A man who was 99 and when God comes is as good as dead and his wife is as good as dead, God comes and says, “Next year you will have a baby,” and Scripture says that he did not stagger with unbelief. The most difficult thing for Abraham to do is to believe that his wife is going to bear his child. They named the child ‘laughter’. Because when God said it first, she laughed in unbelief and after that it was only laughter of belief.

Will you laugh? Will you praise? Will you rejoice? Do what you have to do but every step is an act of faith. Not a single child has been born. Nothing has come out, but you are enlarging your tent by faith. You are stretching forth by faith. You are praying like never before. You are studying the Word of God more than before because you have a promise. God said, “You do what you have to do and I will do what I have said. You do what you have to do, I will do what I have said.” Do you believe? I believe!

We said this in church, in 2020 – ‘The power of an unfulfilled promise.’ Do you know the power of an unfulfilled promise? God is giving us a promise, it is yet to come to pass because the year is only a few minutes old. But you act as if it is true. As soon as God left Abraham’s tent, Abraham and Sarah must have said, “We need to make a cradle.” Sarah must have told Abraham, “My tent is too small. A child is coming, and we need to make a bigger tent.” Has she conceived? No. All she has is the spoken word. “Make the tent bigger, we need a small cot over here, our maid also will be there so stretch it further. Pull the cords, drive in the stakes, little more, little more.”

Once God says something there is a corresponding act which we have to do, then it will come to pass. If you believe you will see. So in each one of your personal lives wherever you are ask God, “What do I have to enlarge?” It is not the same. What do I have to stretch? Maybe some of you are struggling with finances,

God says, "Stretch your giving." That is what happened to me twenty-five years ago. One fear I had when I stepped into ministry, 'Lord, how do I manage?' He said, "Stretch. Give as much as you can." I said, Lord I want, and You are asking me to give." He said, "That is how it works." From that day till today I have never known that fear.

Stretched in giving. Maybe that is the only way it breaks. You are waiting for God to give but God says, "No you give. Stretch it. You give." Maybe some of you are struggling with studies. God says, "Stretch it." How do you stretch it? By studying more? No, by helping someone else to study, somebody who is weaker than you. Stretch it. But am I not wasting my time? He says, "No, now you are using your time for Me." Stretch it. Help someone to grow in the faith. If you are older and know the Word better, then sit with somebody and say, "I will teach you." Stretch it. Begin with one disciple before God can give you more.

I had times in my ministry, in church, where I had just one. I went in the morning and opened the church, swept, cleaned and everything and one person comes. Sang and preached by myself. Now you talk about churches to the ends of the world, but it did not begin like that. When God gave you one, you gave that one everything. And you know the one who came was HIV positive and that is why he came into the church which was empty because no body wanted to run it. You stretch it. You believe it and stretch it. You prayed for ten people in your prayer list last year, make it twenty. Stretch it. Enlarge it. "Lord, here I am, stretch me."

You are not going to take this body anywhere. Don't molly coddle this body. It will be left behind so use it as much as you can for God. The original 'use and throw' is this body. Disposable. Don't molly coddle this body it is a total waste. Use it for God. That is what Pauls says at the end of his life, "I have run the race I have fought the good fight," but before that he says, "My entire life is like a drink offering poured out," and now at the end of his life he is looking into his life and there are only a few drops are left. "My entire life I gave unto Him."

Give it over to Him. Stretch it. Enlarge it. Young or old, it is irrelevant. Stretch it and you will see what God will do.

I was stunned when the promise came. I looked and said, "Are You serious, Lord? God said, "I never joke. When I say something, I am serious." I told him, "It makes sense. Yes it fits in; if you have risen and built, then you will enlarge and stretch." If you have not risen and built, then there is nothing to enlarge or stretch, it will fall apart. First He said, "Go deep and be strong, and now, "Enlarge."

I really look forward to 2021 in spite of all the gloomy predictions by the news papers and Dr. Fauci. I am looking forward because with God all things are possible. And all things are possible with him that believes.

If you have a backlog, meaning that you did not do the homework for 2020. God is merciful and you can do both. Rise and build and stretch. If 2020 was a stress test, 2021 will be a stretch test. You have to believe and sing your way through. If you were unfruitful in your life, unproductive in your life, you struggle with it, "I am going nowhere Lord. Nothing seems to be happening with me. I am still like the children of Israel going around in the wilderness." God says, "I will change it for you, if you believe."

2021 when people say, 'It is impossible,' God says, "I will make it possible for you." When it looked impossible, if you listen to what God says and obey Him, like Isaac did in the year of famine when everyone was going to the land of Egypt, God told him, "Don't go. Sow your seed." This is the most difficult thing to sow in famine. The Bible says that in that year Isaac reaped a hundred-fold. Because when God speaks, He speaks to our impossibilities, not possibilities. If it was possible for us He would not say this. So believe.

Prayer:

*Hallelujah! Hallelujah! Hallelujah! Jesus. O God You are so good. Amazing grace, my God, if not for Your grace and mercy, where would we be, my God? You have brought us through 2020. We stand here saying, "Thank You, thank You Jesus." We will stretch my God, in 2021. O Lord, we just give thanks, my God. If it had not been for the goodness of Jesus and all that You have done for us. Lord we truly know that we deserve nothing but Your grace, Your mercy and Your love has brought us through. Today, we stand saying, "Thank You, Thank You Lord." O that You would bless us and enlarge our territory. Then Your hand would be upon us and the Lord will keep us from all evil and the Lord answered. O Jesus, help us not to cause anyone any pain. And Lord, we truly mean that. Help us Lord, help us to be a praying church, a praying people individually. Praise You all day long. Dig into the Word; line upon line, precept upon precept and I pray, my God, help us to study with depth, knowing the God we serve, to believe today the promise You gave us.*

*In 2020 we couldn't understand it, my God. We thought we were building buildings, my God. We thought we were rising up to build something, but it was about building inside. What You are doing is amazing, You are tearing down old walls and You are rebuilding today, my Father. Father we thank You, we thank You, Jesus. O Lord, help our unbelief today, Father, forgive us and cleanse this heart, cleanse this mind, my God. Jesus, help us to believe that nothing is impossible with God and for those who believe. Thank You for our shepherds. We start this year by blessing them, as a church. Pastor James and Pastor Vijay and all our pastor. We start the year today by blessing them. O Father may the hand of the living God be with them, pursue them and over take them. Be with them all the days of their life. O Father as they study, to show themselves approve up to God, a workman need not be ashamed, rightly diving the Word of Truth.*

*I pray, my God, You reveal, You feed them so they can feed us. Let us not be like fatted calves, help us to grow in You. Help us to grow in Jesus, my God, this year. We are tired of just being there, but we want to grow. We don't want to just occupy a chair in the church anymore. O Father, help us to grow, help us to love You more and more each day. Forgive us when we took Your grace and Your mercy for granted. Forgive us, my God. Cleanse us.*

*Father I take authority in the name of Jesus, I break every yoke over Your people in the name of Jesus, everything that holds them back from stretching, everything that stands in the way of them enlarge it their territory, Lord. I speak the anointing of God on Your people. For it is the anointing that breaks the yoke. Enlarge, O Lord, enlarge their territories, that the hand of God be His people. Let the hand of God upon the children, let the hand of God be upon families, the husbands, the wives, the fathers, the mothers, the young ones. This is the year faith will break its boundaries. It will overflow, the Spirit will over flow. This is the year O God they will stretch to the left and to the right. This is the year O God that the fragrance of Christ will be defused through their lives. Their unbelieving friends and their unbelieving families will know that Christ is real, this is the year of the Lord's salvation for many families. They will enlarge their tents in their own homes, their unbelieving ones in their own families will come to You, this year, 2021. We believe. We believe that blindfolds will fall, scales will drop; eyes will see ad ears will hear. This is the year of the Lord's salvation. Touch today, Lord, touch today. I come against every spirit of unbelief in the name of Jesus. I come against every stumbling block in their ways from progressing. I command it to be moved out in Jesus' name. Every stealer of their destiny, I bind and I command you to leave our children, in the name of Jesus.*

*In the name of Jesus, they will prosper, they will do well. They will do well spiritually, they will do well in every area of their lives. For whom God has blessed no man can curse. This is the year O Lord, they will strengthen their cords and they will drive in deep their stakes, O Lord. Even the young ones will speak wisdom, even the young ones, when they study their Word, will see. Father I speak and pray over them that they will be filled with the Spirit of wisdom and revelation O God and their eyes will be opened. You opened the eyes of Your disciples, now open the eyes of Your children, O God. You are the same God, walk amount them, touch them*

*Lord. Let there be healing in lives, let there be restoration in homes. I come against the barrenness in families, the barrenness between husband and wife; the lack of communication. I come against that in the name of Jesus of Nazareth. I command the spirits of barrenness to leave in Jesus name. I pray for the young ones who are waiting to get married, they have been waiting for so long. But I pray that this is the year that barrenness will go. This is the year You will bring the right people into their lives; godly mates for their lives. Children and parents, this is the year of reconciliation. You will turn the hearts of the fathers to the children and the heart of the children to the fathers.*

*Let them enlarge their tents to receive, not just physical children, but You will give them spiritual children too. Let them enlarge, "Spare not!" God says. This is the year of enlargement for everyone. Eyes haven't seen nor ears heard what God has prepared for those who love Him. When the devil says that this is the worse year, God turns it around and says, "It is the best year for My children." Believe that this is the best year. The Kingdom of God will advance in 2021 like it has never done in recent history. This year is the year of the great awakening that the prophets have waited for. It will begin. We believe, Lord, we believe.*

*Stretch forth, for He gives His Spirit without measure, He gives His anointing without measure. He has no issues. All we have to do is prepare to receive it. Stretch forth to the left and to the right. God has given us the cities of the gentiles. The gentiles will turn to Christ. The gentiles in your house will turn to Christ and Christ's Spirit will inhabit those cities and those lives. We believe Lord. Thank You, thank You. Thank You for everyone who has come, Lord. For everyone who is listening online and around the world, Lord. I bless them in Your name. As Jabez prayed, "O Lord that You would bless, that the hand of the Lord would be upon me," enlarge our territory. Enlarge! May the hand of God come upon Your people. Let them mount up like eagles, let them run and not faint. 2021 let it be a year like never before. We believe Lord, we believe. Thank You, thank You Father. We praise You, we worship You, we glorify You. We commit Your children and Your church into Thy hands. Let Your Spirit lead them to their individual promises, Lord. Let them believe. Let them believe. We have received a promise for the Church and I pray that they will receive a promise for themselves. God will not fail them. Let them rejoice, starting today, let them sing, for praise confuses the enemy. God enthrones in the praises for His people. God sets ambushes among the enemies when His people praise Him. When people praise, the chains come off, the barren land becomes fruitful.*

*Let Your people sing their way through, this year. For that is the command in verse 1, for verses 2 and 3 to come – <sup>1</sup>"O barren Sing! Many will your children be." We believe that. Your extension will be more than the others. Your enlargement will be more than the others. Believe it!*

*I just thank You Lord, I just thank You. We commit ourselves into Thy hands, You have brought us safely and take us back home safely. And go before us through this year. Help us to keep our eyes on You. If You are the Author of this promise, You also will be the Finisher of this promise. Help us to walk in step with You. Thank You Father, thank You. We praise You, we worship You, we glorify You. In Jesus' name we pray. Amen.*
