2. PRIVACY & PLATFORM RELATIONSHIP

This Privacy Policy explains how personal data is processed when you use the Drury Hotels ChatGPT App made available through the OpenAI platform.

This application operates within the OpenAI ecosystem. Accordingly:

OpenAI is responsible for account creation, authentication, and platform-level processing under its own terms and privacy policy.

We do not create or manage user accounts and do not have access to your OpenAI credentials. We process only the limited data necessary to generate responses through secure API calls.

We are committed to minimizing data collection and maintaining transparency regarding how your information is handled.

3. PERSONAL DATA WE PROCESS

Depending on your interaction with the application, we may process the following categories of personal data:

Identifiers

Including IP address and device-related metadata.

User Content (“Prompts”)

Information you voluntarily submit through chat inputs.

Internet Activity Data

Interaction logs, request timestamps, and usage patterns.

Inferred or Aggregated Data

Non-identifiable insights used to improve service performance and reliability.

We recommend that you do not include sensitive, confidential, or special-category personal data in your prompts.

4. SOURCES OF PERSONAL DATA

We collect personal data from the following sources:

Directly From You

Through the content you submit during chat interactions.

Automatically

Through technical metadata generated during use of the application.

From the OpenAI Platform

As part of standard request routing and processing.

5. PURPOSES OF PROCESSING & LEGAL BASES (GDPR)

We process personal data only for the following purposes:

Service Delivery

To generate and return responses requested by the user.

Legal Basis: Article 6(1)(b) GDPR – Performance of a Contract

Security & Fraud Prevention

To protect systems, detect abuse, and maintain platform integrity.

Legal Basis: Article 6(1)(f) GDPR – Legitimate Interests

Service Improvement

To improve performance, reliability, and response quality.

Legal Basis: Article 6(1)(f) GDPR – Legitimate Interests

6. DISCLOSURE OF PERSONAL DATA

We may share personal data with trusted third-party service providers only where necessary to operate the service, including:

OpenAI – platform infrastructure and processing

Cloud hosting and infrastructure providers – application hosting, storage, and operational support

Cloudflare – security, bot protection, content delivery, and network protection

Google reCAPTCHA – spam prevention and abuse detection where applicable

Microsoft Clarity – analytics and website interaction measurement where applicable

All third-party providers are contractually required to:

Process data only on our documented instructions

Maintain appropriate technical and organizational safeguards

Comply with applicable data protection laws

We do not sell personal data collected through the Drury Hotels ChatGPT App or share such personal data for cross-context behavioral advertising.

7. DATA RETENTION

We apply a strict data minimization and limited retention policy.

Chat Data

Processed transiently and not stored in a persistent identifiable format by us unless necessary for security, legal compliance, debugging, or operational integrity.

Technical Logs

Retained only for as long as necessary for security, fraud prevention, debugging, and operational integrity.

User Profiles

No persistent user profiles are created by us through the Drury Hotels ChatGPT App.

8. INTERNATIONAL DATA TRANSFERS

Personal data may be processed in the United States and other jurisdictions where our service providers operate.

Where required by applicable law, we implement appropriate safeguards, including:

Standard Contractual Clauses (SCCs)

Additional contractual, technical, and organizational protections

9. COOKIES & TRACKING TECHNOLOGIES

The Drury Hotels ChatGPT App does not directly place cookies.

However:

The OpenAI platform may use cookies for authentication and platform functionality. Cloudflare may process IP address and technical request information for security and performance purposes.

Google reCAPTCHA and Microsoft Clarity may process technical information where applicable to security, abuse prevention, analytics, and service improvement.

We do not use advertising cookies, tracking cookies, or third-party behavioral advertising technologies within the Drury Hotels ChatGPT App.

10. YOUR PRIVACY RIGHTS (GDPR & CCPA)

Depending on your location, you may have the following rights:

Right of Access

Right to Rectification

Right to Erasure

Right to Restrict Processing

Right to Object to Processing

Right to Data Portability

Right to Non-Discrimination (CCPA)

California residents may also request disclosure regarding categories of personal data collected, disclosed, or shared.

To exercise your rights, please contact:

dataprivacy@druryhotels.com

Drury also provides privacy request options through its official contact form and lists a privacy rights phone number of 1-888-324-1851.

11. AUTOMATED DECISION-MAKING

We do not engage in automated decision-making or profiling that produces legal effects or similarly significant impacts on individuals.

12. CHILDREN'S PRIVACY

This service is not intended for individuals under the age of 18.

We do not knowingly collect personal data from children.

13. SECURITY MEASURES

We maintain appropriate technical and organizational safeguards designed to protect personal data, including:

- Encryption (TLS) for data in transit
- Access controls and authentication mechanisms
- Secure cloud-based infrastructure
- Network and security protection through Cloudflare
- Spam and abuse prevention technologies such as Google reCAPTCHA where applicable

We also require our service providers to maintain appropriate security standards.

14. SUPERVISORY AUTHORITY

You have the right to lodge a complaint with your local data protection authority if you believe your rights under applicable privacy laws have been violated.

15. CHANGES TO THIS PRIVACY POLICY

We may update this Privacy Policy from time to time.

Any updates will be reflected by revising the “Last Updated” date at the top of this Privacy Policy. We encourage you to review this policy periodically to stay informed about how we process personal data.
