

REMINDERS FOR YOUR PHYSICAL THERAPY APPOINTMENT

- Please bring all your medical insurance cards or your worker's compensation or auto insurance (*if applicable*) information with you. If your insurance requires a referral and/or authorization, you are responsible for contacting your doctor's office prior to this appointment. You may bring the referral with you or have it faxed. If your referral and/or authorization have not been received by the day of your appointment, you may be responsible to pay for the visit.
- Please complete all forms prior to your arrival. You will be asked to complete a health evaluation survey on a computer terminal upon arrival. As this may take a bit of time, please arrive about 30 minutes prior to your scheduled appointment.
- Co-payments are expected to be paid at the time of service. We accept checks, certified money orders or cash. We now accept credit or debit cards (Master Card, VISA or Discover).
- If your doctor has issued you a prescription for physical therapy, please bring it with you.
- If you have had surgery, x-rays, MRIs or any other diagnostic testing done related to your condition, we will need to know the name of the facility and the date of when the procedures were done. These can be filled in on the Medical Records Authorization form.
- Your appointment is scheduled for _____.
- **Please come @ _____** (half hour before appointment time)

Feel free to contact our office with any questions. We would greatly appreciate a 24-hour notice if you need to cancel or reschedule your appointment.

Thank you,
