Imaging

X-rays are made by walk-in appointment only. All other orders will be transmitted to the facility. The receiving facility will call you to schedule within a few days. If they do not, please use the numbers below to schedule:

Children's Hospital Radiology: 719-305-9075
UCHealth Scheduling: 719-365-5000
Common Spirit (Centura) Scheduling: 719-776-5000

Referral Information

Please allow 7-10 business days for processing. You will receive a message in your patient portal and/or a text or phone message notifying you when the referral process is complete. If you have opted out of text or phone notifications from our office, you can opt back in by texting START to 329674 to receive notifications. You can also inform the office of your default communication preferences. If you do not get a notification within 14 days (about 2 weeks), please call the referrals department at 719-418-2125.

Please have your specialists send us their consultation notes to add to your chart at 360-462-5181.
