

Medicaid Pending for Newborns

Thank you for choosing Matthews-Vu Medical Group as your healthcare provider!

Your baby has been granted Medicaid pending status. Medicaid pending is being provided to your child for **60 days** from date of birth, pending their eligibility for Medicaid.

Please contact us as soon as possible once your child is approved or denied for Medicaid. If they are approved, we will bill all services to Medicaid. If your child is not approved, please contact the Business Office at 719-884-2799 to discuss payment for services.

If we have not heard from you regarding Medicaid eligibility after the 60-day window, Medicaid pending will be removed and your account will be set to self-pay status. Your balance will be due and each visit thereafter will require a \$70.00 deposit. Any remaining balances will be billed after the visit according to the self-pay policy.
